RE: Stryker Maintenance Sole Source Waiver

Western Emergency Services is requesting a Sole Source purchase request from Stryker, ProCare Services for a Maintenance Agreement with Stryker for Lucas, LIFEPAK 1000, LIFEPAK 15 and Stryker Power Cot equipment. Stryker is the manufacturer of this equipment and the only vendor that can supply them and maintain them.

Currently, several LIFEPAK's are down and need immediate service so we would like to enter a three-year/year to year maintenance agreement with Stryker, ProCare Services in the amount of \$40,978.65 or \$13,659.55 per year. See the attached maintenance agreement(s).

Your approval is hereby requested. Funding for this project is \$40,978.65 and in account number 209.51410.00000.43720.
