Dear Mr. Brown:

In regards to your question about the presence of section-line easements within Tract E, Folz Subdivison, Snowden Addition (Plat 98-33, Seward Recording District), Sections 26 & 27, T1N, R1W, SM. Based on the date of entry and Federal Patent #526485 there would be no section-line easements, therefore, no need to petition to vacate. Per AS 19.10.010, for public lands in the Territory of Alaska before April 6, 1923, section-line easements did not arise by operation of statute.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Poydack".
