RE: Suspension of 2016 Assembly Travel to Juneau

Historically members of the Kenai Peninsula Borough Assembly have traveled to Juneau to visit with its legislative delegation regarding capital project funding requests and other legislative issues. Currently, the state is facing a fiscal crisis and funding for capital projects seems unlikely. I would like to recommend that, for at least the immediate future, the assembly choose not to travel to Juneau in February of 2016, in recognition of the fiscal situation. Therefore, I offer the following motion:

Travel to Juneau in February of 2016, will be suspended for the Assembly.
