17.10.240. - General conditions.

A.

Applicability. Each of the following terms and conditions shall, unless inapplicable by its own terms, apply to every sale or lease of land or interest in land by the borough, unless otherwise specifically provided by ordinance of the assembly. The terms and conditions, as well as any others established by the assembly or the land management officer, shall be included in every agreement of sale, lease or other document disposing of land or an interest in borough land in substantially the manner set out in this section.

B.

Assignments. Any purchaser, lessee, or permittee may assign the lands upon which he has an agreement only if approved by the mayor or land management officer when applicable. Applications for assignment shall be made in writing on a form provided by the land management division. The assignment shall be approved if it is found that all interests of the borough are fully protected. The assignee shall be subject to and governed by the provisions and regulations applicable thereto.

C.

Breach of Agreement. In the event of a default in the performance or observance of any of the agreement terms, conditions, covenants and stipulations thereto, and such default continues thirty days after written notice of the default, the borough may cancel the agreement, lease, or permit or take any legal action for damages or recovery of the property. No improvements may be removed during the time which the contract is in default.

D.

Cancellation. A purchase agreement, lease or permit in good standing may be canceled in whole or in part, at any time, upon mutual written agreement by the purchaser, lessee, or permittee and the mayor or land management officer when applicable. A purchase agreement, lease, or permit is subject to cancellation in whole or in part if improperly issued through error in procedure or with respect to material facts.

E.

Conditional Contract. The borough may conditionally lease or issue permits for land it selects under the various state land grants and lands it reasonably believes it will own or will acquire title to prior to the actual receipt of title. An agreement, lease, or permit issued on this conditional basis shall be canceled in whole or in part in the event the borough is denied title to said lands. Payment made by the lessee or permittee on the land to which title is denied the borough shall be refunded in whole or in part to the agreement holder of record and any properly recorded lienholder, if any, jointly. However, the borough shall in no way be liable for any damage that may be done to the land by the lessee or permittee or liable for any claim of any third party, or to any claim that may arise from ownership. In the event the borough does receive title to the land under agreement, the conditional agreement shall then have the same standing, force and effect as non-conditional agreements issued under any regulations of this chapter.

F.

Entry or Re-entry. In the event that the purchase agreement or lease is terminated, canceled or forfeited, or in the event that the demised lands, or any part thereof, should be abandoned by the purchaser during the agreement term, the borough or its agents, servants or representative, may immediately or any time thereafter, enter or re-enter and resume possession of said lands or such part thereof, and remove all persons and property therefrom either by summary proceedings or by a suitable action or proceeding at law or equity without being liable for any damages therefor. Entry or re-entry by the borough shall not be deemed an acceptance of surrender of the contract.

G.

Fire Protection. The purchaser, lessee, or permittee shall take all reasonable precautions to prevent, and take all reasonable actions to suppress destructive and uncontrolled grass, brush, and forest fires on the land under agreement, and comply with all laws, regulations and rules promulgated and enforced by the protection agency responsible for forest protection within the area wherein the demised premises are located.

H.

Hazardous Waste. The storage, handling and disposal of hazardous waste shall not be allowed on lands under lease or permit from the borough.

I.

Modification. A purchase, lease or permit agreement may not be modified orally or in any manner other than by an agreement in writing signed by all parties or their respective successors in interest.

J.

Notice. Any notice or demand, which under the terms of an agreement or under any statute must be given or made by the parties thereto, shall be in writing, and be given or made by registered or certified mail, addressed to the other party at the address shown on the contract. However, either party may designate in writing such other address to which such notice of demand shall thereafter be so given, made or mailed. A notice given hereunder shall be deemed received when deposited in a U.S. general or branch post office by the addressor, and in like manner a notice from the borough to a vendee shall be deemed received by the vendee when such notice arrives at the general or branch post office from which final delivery to the said purchaser, lessee or permittee would normally be accomplished.

K.

Notice of Default. Notice of the default will be in writing as provided in subsection I. of this section. A copy of the notice will be forwarded to all lienholders or others who have properly recorded their interest in the purchase, lease or permit agreement with the borough.

L.

Removal or Reversion of Improvements Upon Cancellation of Purchase Agreement or Lease.

1.

Improvements owned by a purchaser, lessee, or permittee on borough lands shall, within thirty calendar days after the termination of the agreement, be removed by him; provided, such removal will not cause injury or damage to the land; and further provided, that the mayor or land management officer when applicable may extend the time for removing such improvements in cases where hardship is proven. The retiring purchaser, lessee, or permittee may, with the consent of the mayor or land management officer when applicable, dispose of his improvements to the succeeding purchaser, lessee or permittee.

2.

If any improvements and/or chattels having an appraised value in excess of ten thousand dollars, as determined by a qualified appraiser, are not removed within the time allowed, such improvements and/or chattels shall, upon due notice to the purchaser, lessee, or permittee under the terminated or canceled contract, be sold at public sale under the direction of the mayor and in accordance with the provisions of KPB [Chapter 5](#). The proceeds of the sale shall inure to the former purchaser, lessee, or permittee who placed such improvements and/or chattels on the lands, or

his successors in interest, after paying to the borough all moneys due and owing and expenses incurred in making such a sale. In case there are no other bidders at any such sale, the mayor is authorized to bid, in the name of the borough, on such improvements and/or chattels. The bid money shall be taken from the fund to which said lands belong, and the fund shall receive all moneys or other value subsequently derived from the sale of leasing of such improvements and/or chattels. The borough shall acquire all the rights, both legal and equitable, that any other purchaser could acquire by reason of the purchase.

3.

If any improvements and/or chattels having an appraised value of ten thousand dollars or less, as determined by the mayor, are not removed within the time allowed, such improvements and/or chattels shall revert and absolute title shall vest in the borough. Upon request, the purchaser, lessee, or permittee shall convey said improvements and/or chattels by appropriate instrument to the borough.

M.

Rental for Improvements or Chattels not Removed. Any improvements and/or chattels belonging to the purchaser, lessee, or permittee or placed on the land during his tenure with or without his permission and remaining upon the premises after the termination of the contract shall entitle the borough to charge a reasonable rent therefor.

N.

Resale. In the event that a purchase or lease agreement should be terminated, canceled, forfeited or abandoned, the borough may offer said lands for sale, lease or other appropriate disposal pursuant to the provisions of this chapter or other applicable regulations. If said land is not immediately disposed of then said land shall return to the Land Bank.

O.

Responsibility of Location. It shall be the responsibility of the purchaser, lessee, or permittee to properly locate himself and his improvements on the purchased, leased, or permitted lands.

P.

Rights of Mortgage or Lienholder. In the event of cancellation or forfeiture of a lease or sale agreement for cause, the holder of a properly recorded mortgage, conditional assignment, or collateral assignment will have the option to acquire the lease or sale agreement for the unexpired term thereof, subject to the same terms and conditions as in the original instrument. Any party acquiring an agricultural purchase or lease agreement must meet the same requirements as the original purchaser or lessee.

Q.

Rights-of-way. All trails or roads in existence at the time the land is sold may be considered to be an easement for public use. Nothing herein contained shall prevent the mayor or land management officer when applicable from specifically reserving such additional easements and rights-of-way across borough lands as deemed reasonable and necessary prior to the sale thereof.

R.

Sale Documents. All sales of borough lands shall be on approved borough forms suitable for recording and may consist of a warranty deed, deed of trust, agreement to purchase, promissory note and any other required documents.

S.

Sanitation. The purchaser, lessee, or permittee shall comply with all regulations or ordinances which a proper public authority in its discretion shall promulgate for the promotion of sanitation. The premises under purchase or lease agreement, or permit shall be kept in a clean and sanitary condition and every effort shall be made to prevent any pollution of the waters and lands.

T.

Shore Land Public Access Easement. As established by AS 38.05, borough lands sold or leased may be subject to a minimum 50 foot public access easement landward from the ordinary high water mark or mean high water mark.

U.

Subleasing. No lessee may sublease lands or any part thereof without written permission of the mayor or land management officer when applicable. A sublease shall be in writing and subject to the terms and conditions of the original lease.

V.

Violation. Violation of any provision of this chapter or of the terms of the agreement of sale, lease or permit may expose the purchaser, lessee, or permittee to appropriate legal action including forfeiture of purchase interest, termination, or cancellation of his interest in accordance with state law.

W.

Written Waiver. The receipt of payment by the borough, regardless of knowledge of any breach of the purchase agreement by the purchaser, lessee or permittee, or of any default on the part of the purchaser, lessee or permittee in observance or performance of any of the conditions or covenants of the agreement, shall not be deemed to be a waiver of any provision of the agreement. Failure of the borough to enforce any covenant or provision therein contained shall not discharge or invalidate such covenants or provision or affect the right of the borough to enforce the same in the event of any subsequent breach or default. The receipt by the borough of any payment of any other sum of money after notice of termination or after the termination of the agreement for any reason, shall not reinstate, continue or extend the agreement, nor shall it destroy or in any manner impair the efficacy of any such notice of termination unless the sole reason for the notice was nonpayment of money due and payment fully satisfies the breach.

(Ord. No. 92-57, § 1(part), 1993)
