I support this small .05% broad based tax increase over a bed tax or other ideas that have been floated. It will be capped at \$500 which means \$2.50 on any purchase over \$500 and/or 50 cents on \$100. I believe that the Mayor, most Assembly members, and team are working hard to balance the budget, reduce costs and limit government. This broad based increase will close the gap while the other ideas will not.

Thank you,

I support this increase and will put a sign on the Ocean Shores Highway frontage saying the same before the public vote.
