Mr Assembly President and Assembly Members,

Thank you for reading this and including our thoughts as you consider KPB Ordinance 2016-09.

I am writing on behalf of Mr. David Schilling, owner of Irimi Inc commonly known as Big John's Chevron (Kenai, K-Beach & Sterling).

We support the Ordinance specifically due the alignment of the quarterly sales tax collection and subsequent submission to the Borough.

We urge passage of this Ordinance,

Thank you for your consideration,

David Schilling

Dear Assembly Member,

Assemblyman Dale Bagley's Proposed Ordinance 2016-09 would increase our grocery tax from 3 months a year to 6 months a year. Please Vote NO on Ordinance 2016-09:

- Assemblyman Bagley says that he wants to TAX OUR GROCERIES MORE because of the projected state budget deficit and therefore the borough will receive less money. Taxing our food, a basic necessity of life, is NOT the right thing to do to "make up" for any potential budget deficits.
- Everyone is cutting back on their budgets, not just government, but the people as well. Taxing the food we need to eat to survive, especially during times of hardship, is NOT appropriate.
- AND the voters have spoken multiple times that we DO NOT want our groceries taxed! The people have voted THREE TIMES to NOT TAX OUR GROCERIES. These votes occurred in 2008, 2011 and most recently in October 2015. Please DO NOT DISENFRANCHISE the voters.

I am asking that you respect our votes, the will of the people, and our community. Please VOTE NO on Ordinance 2016-09.

Sincerely,

Richard and Irene Repper Soldotna

Message: FYI, I received the following message via text. Good afternoon, Dave Schilling, owner of Irini Inc dba Big John's Chevron, Kenai, K-Beach and Sterling, loves KPB Ordinance 2016-09 as it will help simplify sales tax reporting specific to non-prepared food. Thank you, Duane Bannock for Dave Schilling
