Kenai Peninsula Borough

Analysis

Recommendation No. 1 - Survey KPB Residents

We have an estimate from an outside vendor to perform the survey in the amount of \$15,000. The scope of work includes conducting a phone survey and provide targeted lists for mail, digital or test surveys as desired. Run advertisments to encourage participation via newspaper and radio (\$2,000) Estimate 8.0 hours of Deputy Borough Clerk to manage the project.

Recommendation No. 2 - Public Outreach/Education and

Recommendation No. 3 - Promote Local Elections

We used a previous promotional campaign costs as a baseline for these contracted services (promoted absentee voting during COVID \$30,000). Printing costs for flyers, mailers/postage and other materials (\$14,000) promotional items, i.e. button, stickers etc. (\$5,000) Run advertisements via newspaper and radio (\$2,000). Estimate 60.0 hours of Deputy Boruogh Clerk to prepare RFP for services and manage the project.

Recommendation No. 4 - Offer Early Voting

We were initially anticipating software costs associated with this recommendation; however, after talking with the Division of Elections and Mat-Su Borough, we would not be able to utilize the division's software and MSB simply uses an Access database to document early voters. This would result in a change of process with little or no fiscal impact.

Recommendation Nos. 5 - 7 have little or no fiscal impacts
