RE: Amendment to Resolution 2021-047, Authorizing the Mayor to Execute Agreements with Numerous Government Agencies and Nonprofit Organizations for Services Provided by the Borough Soldotna Public Safety Communications Center (Mayor)

The borough and the City of Soldotna are continuing to negotiate an agreement for the services provided by the Borough Soldotna Public Safety Communications Center. In the interim, the city has agreed to make quarterly payments as proposed by the borough. However, there are outstanding items the parties are still negotiating.

(Note: Items to be deleted below are in bold and stricken out.)

The administration requests that the assembly amend Section 1 of this resolution by deleting the City of Soldotna from Section 1 as follows:

- **SECTION 1.** That the mayor is authorized to execute agreements substantially similar to the accompanying agreements for the provision of E911 dispatch services with the following agencies:

~~City of Soldotna~~

Your consideration of this amendment is appreciated.
