Subject: Tip on Better Borough Land Sales

Message:

The next time the hospital wants to buy yet another building of prime real estate near CPH ... deny the request and leave the land in private ownership so that taxes will be paid on it.

Secondly, have the CPH properties near the hospital move into the hospital and return the land to private use.

Message:

If I am fishing in Ninilchik and get hurt please make certain my ambulance heads to Dr. Bill Bell and SPH ... not CPH. Thank you,
