RE: Ordinance 2015- 07 : Enacting KPB Chapter 4.140, Recall

In January of 2015, the Borough Clerk's Office was presented with an application to recall an elected official. After doing the required research it became clear that Alaska State Statutes set out basic provisions for administering the recall process, however; there were no timelines or deadlines set out in State Statutes and the Borough Code was silent. For the application processed in January both parties agreed to use the timelines and deadlines set out in the initiative and referendum section of state statutes and borough code.

In an effort to make those timelines and deadlines clear the attached ordinance is offered for your consideration.
