RE: Resolution 2018-037, Supporting the Alaska Avalanche Information Center's Efforts to Install Safety Signs at Key Snowmobile Access Points to Provide Critical Information for Backcountry Winter Travel to Raise Awareness and Prepare Skiers and Riders for Safe Mountain Travel (Cooper)

The Alaska Avalanche Information Center ("AAIC") is a nonprofit organization founded in 2008 by concerned citizens. It provides avalanche forecast and education services in six regions in Alaska under the guidelines set forth by the American Avalanche Association and the American Institute for Avalanche Research & Education. The AAIC is planning to apply for an Alaska State Trails Program Grant through the Division of Parks & Outdoor Recreation and requests the assembly's support for its application. Your favorable consideration would be appreciated.
