RE: Resolution 2024-51, Authorizing the Mayor to Execute a Memorandum of Agreement and Fourth Amendment to the Operating Agreement with CPGH, Inc. (Mayor)

This Resolution authorizes the mayor to execute an MOA and 4th Amendment to the Operating Agreement with CPGH, Inc. to facilitate CPH operating and managing a mobile crisis team within the Central Kenai Peninsula Hospital Service Area. During the remaining term of the grant KPB received, on behalf of Nikiski Fire Service Area for Mobile Integrated Health (MIH) services, the services will be concentrated within the Nikiski Fire Service Area boundaries. The intent is for the MIH/mobile crisis team services to grow moving forward with a focus on integrated crisis services that will be operated and managed by trained health care professionals.
