Subject: Opposed to bed tax!!!

Please do not allow the bed tax to go on the ballot. It is unfair to lodging owners and instead propose a 1% accross the board tourism tax. It is more fair and raises more money.

Subject: Bed Tax

March 6, 2018

Dear Assembly Members ~

Please note my objection to a bed tax in Homer.

I do not support a tax increase that would focus on only one part of the tourist industry.

A broader tax would seem more appropriate; either an increase in tax for all OR a seasonal tax.

Thank you for your consideration.
