SUBJECT: Request for Standardization and Sole Source Vendor Request for Firefighter Turnout Gear

CES is requesting the purchase of firefighter turnout gear (coat and pant) made by Lion Apparel.

The bunker gear made by LION was evaluated in a year-long testing phase, it met the requirements of CES and a sole source purchase was made in January 27, 2015.

CES has budgeted in FY 2016 to continue to replace bunker gear that has reached the end of service. This purchase of 14 sets of Lion gear will continue to standardize the department's bunker gear to one version, which is a continuation of the bunker gear replacement plan. Funds are available in 211.51610.48760.

Thank you for your consideration to our request.
