**Subject:** Maintain Current Service area boundaries!

Dear Assembly Members,

I think it is imperative to retain current boundaries. My biggest concern is that Dr Sarah Spencer, who is a great asset to the Ninilchik Clinic, would not be available to see clients there if the boundaries were changed.

As a health care provider in Homer, I know she is very important to the Clinic and it would be a great loss if she were not there.

Thank You.

Sharon Gorman, ANP
