

## CERTIFICATE OF SUPPORT

Cooper Landing Volunteer Ambulance, Inc. (“Nonprofit Entity”), a nonprofit corporation organized and existing under the laws of the State of Alaska, has requested the Kenai Peninsula Borough, Alaska (“Borough”), a second borough organized and existing under the laws of the State of Alaska, certify its support of the purchase of one F-550 Quick Attack Pumper (“Apparatus”) in connection with Nonprofit Entity’s effort of providing basic life support in the Borough.

In support of Cooper Landing Volunteer Ambulance’s mission, it received a letter from the Internal Revenue Service, dated December 27, 2018, which recognizes such entity as tax-exempt under the Internal Revenue Code, Section 501(c)(3).

Cooper Landing Emergency Services, Inc. (“Cooper Landing”), entered into a contract for the purchase of the Apparatus (“Contract”). Pursuant to the terms of the Contract, this Certificate of Support is requested.

The Borough supports the Nonprofit Entity’s securing use of the Apparatus in furtherance of its mission of providing basic life support in the Borough. The Borough’s support of the purchase, and use, of the Apparatus does not in any way cause involvement by, or obligate, the Borough (financial or otherwise) in the business of the Nonprofit Entity or any other entity involved in purchasing the Apparatus.

IN WITNESS WHEREOF, I have executed this certificate on this \_\_\_ day of July, 2021.
