RE: Authorization to Award a Contract for ITB22-039 Salmon Creek Channel Excavation & Embankment Maintenance

The Purchasing and Contracting Office formally solicited and received bids for the ITB22-039 Salmon Creek Channel Excavation & Embankment Maintenance. Bid packets were released on March 22, 2022 and the Invitation to Bid was advertised in the Peninsula Clarion on March 22, 2022 and in the Seward Journal on March 23, 2022.

The project consists of the Restoration of the Salmon Creek channel and diversion embankment. Heavy equipment will be used to extract unclassified excavation material from the active channel of the creek along 1,250 feet in length. The gravel embankment will be restored along 1,250 feet of project right from station 15+50-28+00. The channel will be excavated and embankment restored as designed in the Seward-Bear Creek Flood Service Area Salmon Creek Channel Survey & Extraction Design 2021 plans.

On the due date of April 7, 2022, four (4) bids were received and reviewed to ensure that all the specifications and delivery schedules were met. The low bid of \$22,276.75 was submitted by Metco Alaska, LLC of Seward, Alaska.

Your approval for this bid award is hereby requested. Funding for this project is in account number 259.21212.00000.43011.
