Re: Hope Community Library
Address: 18487 A Street, Hope, Alaska

Dear Marcus,

The purpose of this letter is to advise that the Hope Community Library's Board supports the transfer of the property that the Hope Community Library has been leasing from the Kenai Borough for the Library's use, to the ownership of Hope, Inc.

The Hope Community Library will continue to operate as a separate non-profit organization under the umbrella of Hope, Inc's ownership.

Sincerely,

A handwritten signature in blue ink that reads "Fayrene Sherritt".
