RE: Ordinance 2021-____, Authorizing an Amendment to a Master Land Lease Development Agreement with Alaska Department of Transportation and Public Facilities in Support of the Sterling Highway MP 45-60 Construction Project Near Cooper Landing to Include a Staging Area at Tract C Quartz Creek Subdivision and Appraisal Provisions (Mayor)

Alaska Department of Transportation and Public Facilities (DOT&PF) is actively working on the Sterling Highway MP 45-60 Construction Project which follows the Juneau Creek Alternative near Cooper Landing.

KPB Land Management has been working with the project team as it seeks to implement this major project. DOT&PF has entered into a Master Lease that includes three project staging and disposal sites on borough owned or managed land. A fourth site related to the project had been proposed to be leased by a DOT&PF contractor. However, DOT&PF now requests that the lease of this fourth site, located at Tract C Quartz Creek Subdivision, be included in DOT&PF's Master Lease.

In discussions, DOT&PF has indicated that it would like to have the ability to go through an appraisal process on Tract C as well as the other sites. An appraisal process would conform to DOT standards and would protect KPB's interests in receiving a fair market rent for the surface use of the KPB land.

This ordinance would authorize an amendment to DOT's Master Lease to include Tract C Quartz Creek Subdivision and to provide for rental rates to be adjusted to the appraised fair market rental value once DOT completes such appraisals.

Your consideration is appreciated.
