DATE: July 6, 2017

SUBJECT: Resolution 2017-*047*, Accepting Equipment from the Southern Region
Emergency Medical Services Council, Inc. on Behalf of Anchor Point Fire &
Emergency Medical Service Area (Mayor)

Southern Region Emergency Medical Services Council, Inc., ("Southern Region") is a nonprofit corporation that serves as a resource center for emergency medical response agencies located in low to moderate income rural communities. Anchor Point Fire and Emergency Medical Service Area ("APFEMSA") submitted a "Code Blue Phase 17" application to Southern Region for a training manikin.

Southern Region approved APFEMSA's application for the equipment grant and will purchase the equipment on behalf of APFEMSA. APFEMSA is required to provide a local match of \$1,888. Funds are available in the service area's approved fiscal year 2018 budget to meet the match requirement. On April 19, 2017, the APFEMSA board approved receipt of the equipment and expenditure of the matching funds.

Chief Terry will oversee grant requirements for equipment inventory and maintenance.
