**WHEREAS,** the Community Assistance Program (“CAP”) as governed by AS 29.60.865 and 3 AAC 180.010 require the assembly of a borough or a unified municipality to adopt a resolution identifying those unincorporated communities located within their municipal boundaries that the assembly determines meet the CAP eligibility criteria established under AS 29.60.865, AS 29.60.879, and 3 AAC 180.110; and

**WHEREAS,** at least three of the following required services—fire protection, emergency medical, water and sewer, solid waste management, public road or ice road maintenance, public health, and search and rescue—are generally available to all residents of the unincorporated community and each of the three services, in any combination, are provided by one or more qualifying Native village council or incorporated nonprofit entity or are substantially paid for by residents of the unincorporated community through taxes, charges, or assessments levied or authorized by the Borough; and

**WHEREAS,** AS 29.60.865(a) requires that eligible native village councils must be willing to waive immunity from suit for claims arising out of activities of the council related to the payment;
