Cooperator Agreement No. _____

COOPERATIVE LAW ENFORCEMENT AGREEMENT
Between The
KENAI PENINSULA BOROUGH (KPB)
And The
USDA, FOREST SERVICE
CHUGACH NATIONAL FOREST

This COOPERATIVE LAW ENFORCEMENT AGREEMENT ('Agreement') is entered into by and between the Kenai Peninsula Borough (KPB) on behalf of the Soldotna Public Safety Communications Center (SPSCC), hereinafter referred to as "KPB SPSCC," and the USDA, Forest Service, Chugach National Forest, hereinafter referred to as the "U.S. Forest Service," under the provisions of the Cooperative Law Enforcement Act of August 10, 1971, Pub. L. 92-82, 16 U.S.C. 551a.

Background: The parties to this agreement recognize that public use of National Forest System lands (NFS lands) is usually located in areas that are remote or sparsely populated. The parties also recognize that the enforcement of State and local law is related to the administration and regulation of NFS lands and the KPB SPSCC has/have a limited amount of financing to meet their responsibility of enforcing these laws.

This agreement will provide funds for the KPB SPSCC to continue providing dispatch services for USDA Forest Service Law Enforcement officers. U.S. Forest Service Law Enforcement Officers conduct law enforcement patrols, participate in search and rescues, and respond to public safety incidents. The SPSCC, a KPB department, provides dispatch services to the KPB and other agencies. This agreement will establish a partnership between the U.S. Forest Service and KPB, on behalf of the SPSCC, that will enhance communication and interaction between these organizations.

Title: Soldotna Public Safety Communications Center Dispatch Services

I. PURPOSE:

The purpose of this agreement is to document a cooperative effort between the parties to enhance State and local law enforcement in connection with activities on NFS lands and provide for reimbursement to the KPB SPSCC for the intensified portion of this effort.

In consideration of the above premises, the parties agree as follows:

II. THE COOPERATOR SHALL:

- A. Perform in accordance with the approved and hereby incorporated Annual Financial and Operating Plan (Annual Operating Plan) attached as Exhibit A. *See related Provision IV-E.*

- C. Provide uniformed officers/agents with marked vehicles to perform all activities unless agreed to otherwise in the Annual Operating Plan.
- D. Advise the U.S. Forest Service Principal Contact, listed in Provision IV-B, of any suspected criminal activities in connection with activities on NFS lands.

The report shall follow the FBI Uniform Crime Reporting groupings, Part I and Part II offenses. Offenses and arrest information shall be combined and reported for each crime. This report shall separate the crimes handled under this agreement from those handled during regular duties.
- G. Provide the U.S. Forest Service Principal Contact, listed in Provision IV-B, with case reports and timely information relating to incidents/crimes in connection with activities on NFS lands.
- H. Bill the U.S. Forest Service for the KPB SPSCC's actual costs incurred to date, displayed by separate cost elements, excluding any previous U.S. Forest Service payment(s) made to the date of the invoice, not to exceed the cumulative funds obligated hereunder and as specified on the Annual Operating Plan. - K. Maintain current information in the System for Award Management (SAM) until receipt of final payment. This requires review and update to the information at least annually after the initial registration, and more frequently if required by changes in information or agreement term(s). For purposes of this agreement, System for Award Management (SAM) means the Federal repository into which an entity must provide information required for the conduct of business as a Cooperative. Additional information about registration procedures may be found at the SAM Internet site at www.sam.gov.

At the end of the year, funds not spent may be carried forward to the next year, or deobligated at the request of the U.S. Forest Service. Upon expiration of the Cooperative Law Enforcement Agreement, funds not spent will be deobligated.
- D. This agreement has no effect upon the KPB SPSCC's right to exercise civil and criminal jurisdiction on NFS lands nor does this agreement have any effect upon the responsibility of the U.S. Forest Service for the enforcement of federal laws and regulations relative to NFS lands.
- E. Any Annual Operating Plan added to this agreement will be jointly prepared and agreed to by the parties. The Annual Operating Plan shall at a minimum contain:
1. Specific language stating that the Annual Operating Plan is being added to this agreement thereby subjecting it to the terms of this agreement.
 2. Specific beginning and ending dates.
 3. Bilateral execution prior to any purchase or the performance of any work for which reimbursement is to be made.

- G. The officers/agents of the KPB SPSCC performing law enforcement activities under this agreement are, and shall remain, under the supervision, authority, and responsibility of the KPB SPSCC. Law enforcement provided by the KPB SPSCC and its employees shall not be considered as coming within the scope of federal employment and none of the benefits of federal employment shall be conferred under this agreement.
- H. Federal Communication Commission procedures will be followed when operating radio(s) on either party's frequency.

- I. KPB SPSCC's reimbursable expenses must be: listed in an approved Annual Operating Plan; expended in connection with activities on NFS lands; and expenses beyond those which are normally able to provide.
- J. During extraordinary situations such as, but not limited to: fire emergency, drug enforcement activities, or certain group gatherings, the U.S. Forest Service may request to provide additional special enforcement activities. The U.S. Forest Service will reimburse the KPB SPSCC for only the additional activities requested and not for activities that are regularly performed by the KPB SPSCC.
- K. Reimbursement may include the costs incurred by the KPB SPSCC in equipping or training its officers/agents to perform the additional law enforcement activities authorized by this agreement. Unless specified otherwise in the Annual Operating Plan, reimbursement for equipment and training will be limited to a pro rata share based on the percentage of time an officer/agent spends or equipment is used under this agreement.

When reimbursement for items such as radios, radar equipment, and boats is being contemplated, reimbursement for leasing of such equipment should be considered. If the U.S. Forest Service's equipment purchases are approved in the Annual Operating Plan, an estimate of the useful life of such equipment shall be included. When purchased, equipment use rates shall include only operation and maintenance costs and will exclude depreciation and replacement costs. Whether the KPB SPSCC is/are reimbursed for lease/purchase costs, or the U.S. Forest Service purchases and transfers the equipment, the total cost for the equipment cannot exceed the major portion of the total cost of the Annual Operating Plan unless approved by all parties in the agreement and shown in the Annual Operating Plan.

When the U.S. Forest Service provides equipment, the transfer shall be documented on an approved property transfer form (AD-107) or equivalent. Title shall remain with the U.S. Forest Service, however; the KPB SPSCC shall ensure adequate safeguards and controls exist to protect loss or theft. KPB SPSCC shall be financially responsible for any loss at original acquisition cost less depreciation at the termination of the agreement. KPB SPSCC is/are responsible for all operating and maintenance costs for equipment that the U.S. Forest Service has reimbursed the KPB SPSCC for and/or transferred to the KPB SPSCC under the AD-107 process or equivalent.

- L. Equipment and supplies approved for purchase under this agreement are available only for use as authorized. The U.S. Forest Service reserves the right to transfer title to the U.S. Forest Service of equipment and supplies, with a current per-unit fair market value in excess of \$5,000.00, purchased by the KPB SPSCC using any Federal funding. Upon expiration of this agreement the KPB SPSCC shall forward an equipment and supply inventory to the U.S. Forest Service, listing all equipment purchased throughout the life of the project and unused supplies. The U.S. Forest Service will issue disposition instructions within 120 calendar days, in accordance with equipment regulations contained in 7 CFR 3016.32.

- M. When no equipment or supplies are approved for purchase under an Annual Operating Plan, U.S. Forest Service funding under this agreement is not available for reimbursement of the KPB SPSCC's purchase of equipment or supplies.
- N. Reimbursement is not authorized to State Conservation Agencies for enforcement of fish and game laws in connection with activities on NFS lands.
- O. Pursuant to 31 U.S.C. 3716 and 7 CFR, Part 3, Subpart B, any funds paid to the KPB SPSCC in excess of the amount to which the KPB SPSCC is/are finally determined to be entitled under the terms and conditions of the award constitute a debt to the federal Government. 1. Making an administrative offset against other requests for reimbursements.
 2. Withholding advance payments otherwise due to the KPB SPSCC.
 3. Taking other action permitted by statute.

Except as otherwise provided by law, the Federal awarding agency shall charge interest on an overdue debt in accordance with 4 CFR, Chapter II "Federal Claims Collection Standards" and 31 U.S.C. Chapter 37.

- P. Modifications within the scope of the agreement shall be made by mutual consent of the parties, by the issuance of a written modification, signed and dated by both parties, prior to any changes being performed. The U.S. Forest Service is not obligated to fund any changes not properly approved in advance.
- Q. Either party, in writing, may terminate this agreement in whole, or in part, at any time before the date of expiration. Neither party shall incur any new obligations for the terminated portion of this agreement after the effective date and shall cancel as many obligations as is possible. Full credit shall be allowed for each party's expenses and all noncancelable obligations properly incurred up to the effective date of termination.

(2) May pursue other remedies available for the recipient's material failure to comply with award terms and conditions.

S. This agreement in no way restricts the U.S. Forest Service or the KPB SPSCC from participating in similar activities with other public or private agencies, organizations, and individuals.
