Subject: <EXTERNAL-SENDER>BURNING BRUSH

CAUTION:This email originated from outside of the KPB system. Please use caution when responding or providing information. Do not click on links or open attachments unless you recognize the sender, know the content is safe and were expecting the communication.

I STRONGLY DISAGREE with the boroughs decision to burn ORGANIC MATTER. It is VERY Short sighted and only contributes to CLIMATE CHANGE. So many other alternatives are available.

Composting, Chipping, Selling a viable product to borough residents. PLEASE reconsider your decision  
Sincerely, Dawn Nixon
