Subject: Seldovia Sportsman's Club

To Whom It May Concern,

The Seldovia City Council feels that the Seldovia Sportsman's Club is a constructive organization that offers a multitude of benefits to our community. At the May 11th 2016 Seldovia City Council Meeting, the City Council unanimously voted to support the Seldovia Sportsman's Club. Also in the motion that passed, they communicated that they did not want to take a position on the location of the proposed gun club, as the proposed location will be outside of City limits and their involvement in this aspect of the organization should be limited.

Thank you for your time and consideration in this matter. If there are questions or concerns, please do not hesitate to contact our office.

Sincerely,

Cassidi Little
Interim City Manager, City of Seldovia
