RE: Resolution 2020-059, Approving an Automatic Aid Agreement and Operational Plan Between Bear Creek Fire Service Area and Lowell Point Volunteer Fire Department for Fire Response Services (Mayor)

This resolution would approve the attached automatic aid agreement and initial operational plan between Bear Creek Fire Service Area and Lowell Point Volunteer Fire Department for fire response services.

Automatic aid agreements are a form of mutual aid agreements that allow for automatic requests between the agencies to assist each other with emergency responses. Assistance is through the provision of equipment and personnel as set out in the automatic aid agreement and operational plan.

The agreement is for automatic aid response of fire apparatus and personnel, and will continue in effect until modified or a party withdraws. The resolution would allow the operational plan, which details specific response procedures, to be modified in the future without assembly approval as long as changes do not conflict with the automatic aid agreement.

Your consideration is appreciated.
