

Kenai Peninsula Borough

Road Service Area

MEMORANDUM

TO: Road Service Area Board

FROM: Dil Uhlin

DATE: July 14, 2026

RE: Continue to Allow "No Parking" Signs on Second Street in Hope
Approved by Resolution 26-003

Residents of Hope, Alaska, expressed concerns that they unaware of the proposed no-parking petition and, as a result, were unable to participate in the decision-making process. Many of these residents have indicated that they oppose the proposed parking restrictions and believe additional public input is warranted. To ensure a fair and transparent process that allows all interested residents an opportunity to be heard, the resolution is being brought back before the Board for further consideration and public participation.
