

The VFW and the Anchor Point Food Pantry joined forces to provide a holiday dinner.

The Lint on the Bed by Donna Dennis founder of the Anchor Point pantry

“I asked (my husband) Allen if he ever minded when I worked a full shift and then bought and delivered food to families I knew were lacking food at home. He was so emphatic when he answered no and said I reminded him of those people that would bring food to him and his younger sibling when his mom was out.

He said if it wasn't for all of those people, they would have gotten sick or died. I was astonished that any child would have to figure out how to make that gnawing pain of hunger go away and even more shocked to find out it was lint that quieted his stomach.”

The **Anchor Point Food Pantry** is in transition. There are presently 210 households that count on us being here. Our Board is made up of 7 determined women - determined to keep our doors open.

No one deserves to be hungry.

We also serve Happy Valley, Ninilchik, Nikolaevsk, and Homer's day workers.

Helping is EASY and FUN!

Giving is not just about making a donation, it's about making a difference.

The youth are a big help to our pantry!

Our Programs

- The Salvation Army Commodities Program
- A summer produce program
- Holiday boxes and meal
- Children's (Kid's Day) program – providing meals, food bags, and activity items. 150 kids benefit.
- Annual Project Homeless Connect: A state-wide program
- Delivery service: Some of our volunteers deliver food for the housebound, as many as 100 in one evening (Covid19 in 2020)

Some of these programs are on hold, or modified, during our transition.

The Anchor Point Food Pantry is open to the public, every Friday, from 4-6pm. We provide a meal and a bag of food, as we have done since 2006.

A food pantry assists...

Seniors with high medical bills,

Those that get laid off,

Homes with sudden illnesses,

People living alone, veterans,
the disabled, and newly-weds
that pay high rents,

Seasonal Workers

People new to the area,

The hungry.

This is what you can help us do

On our way to new horizons...

We have left our home of the last 9 years, having begun a new adventure. We are temporarily located next to the ARI Store (Old SVT) until July 1, maybe longer. Things are looking up! We will be a little awkward with the transition. (We are just not used to this!) We appreciate those that offer their help - the youth & the volunteers; K.P. Food Bank; AP VFW, Senior Center, P.O. & Library; PJ's; Homer Foundation; Homer Pantry; 100 Women Who Care; Coastal Realty for their Concert on the Green fundraiser and those that donated; Hilcorp; CITC and Alaska Community Foundation; Share the Spirit; Dawson Slaughter, Steve Theno, A.M. Mike Tupper, and various donors. We appreciate you all! God bless you all!

Mission Statement -We need to be able to relate to all people with empathy, respect and honesty. To be effective, we must exercise the attitude of kindness and cheerfulness, not that of duty.
