MIKE NAVARRE
BOROUGH MAYOR

MEMORANDUM

TO: Blaine Gilman, Assembly President
Members, Kenai Peninsula Borough Assembly

FROM: Mike Navarre, Mayor *MN*

DATE: March 24, 2016

SUBJECT: Ordinance 2015-19-29, An Ordinance Expanding The Scope of Authorized Use of Funds for the Health Care Task Force as Originally Appropriated in Ordinance 2014-19-39 (Mayor)

The title to ordinance 2014-19-39, which appropriated \$200,000, included the purpose of identifying ways to provide the most affordable health care for Kenai Peninsula Borough employees and residents. However, the appropriating language did not mention residents. This ordinance would expand the allowed scope of the funds to include identifying ways to similarly benefit borough residents.

During a recent work session the Health Care Task Force ("HCTF") developed a draft charter to clarify its purpose and direction. This will be considered for adoption during its March 30, 2016, meeting. The assembly will be provided with a copy of the approved charter prior to final hearing. This ordinance would also authorize the use of these funds to support the task force purpose and deliverables.

Your support of this ordinance would be appreciated.
