The Future Cannabis ~~Industry~~ on the Kenai Peninsula

Meet your local community members who are taking the brave step to enter this new industry. The following individuals are your friends and neighbors who are determined to create a successful commercial cannabis market.

Our Pledge

- We will conduct business legally.
- We will strive to be good neighbors.
- We will work with the Kenai Peninsula Borough in a responsible and supportive manner.
- We are committed to the elimination of underage cannabis sales.
- We are dedicated to the eradication of the cannabis black market.
- We will present our industry in a fashion that will enrich our community and provide economic growth.
- We will respect the trust and faith you have awarded to us.
