Perkins V Program Overview:

The requirements for a Perkins V program in Alaska all work together. Think of them as part of a continuous improvement cycle. These steps are also broken down into five Parts A-E that help to define how a district might think about needs, goals, plans and expenditures over time. The goal of a Perkins V program is to provide high quality, ongoing Career and Technical Education pathways for all students that are connected to local and regional industry and or in-demand, high-paying careers.

Step 1 – Advisory Committee

Step 2 – CLNA

Step 3 – Four-Year Plan & Local Application

Step 4 – CTE courses and CTEPS

Step 5 – Annual Amendment and Budgets in GMS

Step 6 – Annual All-In-One Data Collection

Data Review: Student Performance

CTE Accountability Reports

Participation Counts

CTE Concentrators (2 or more classes in the same pathway)

Graduation Rate of CTE students

Parts A-E of the CLNA:

- A. Student Performance**
- B. CTE program quality (including Size, Scope, and Quality; and Labor Market Alignment)
- C. Implementation of full Programs of Study (CTEPS)
- D. Recruitment, retention, and training of high-quality CTE staff
- E. Equity and access to high-quality CTE programs for all students

Data Review: Student Performance

Highlights: FY 21-22 School Year Data

- Graduation Rate of CTE Concentrators - 96.5%
- Added 15 classes to our Perkins Reporting Data!
- Post Grad Placement - 67% of CTE Concentrators
 - **2022-23** Focus Area classes participation grew:
 - CAD/CAM - 77 students in FY22 and 100 in FY23
 - Work Based CoOp - 34 students in FY22 and 58 in FY23
 - Construction 1 - 174 students in FY22 and 234 in FY23
- **NonTraditional Program Concentration**
 - 123 concentrators were non traditional gender group participants (Mostly in Construction & Human Services!) Still need to push other pathways.
- **2022-23 - 1286 CTE Credits earned / 113 students earned Postsecondary Credit / 88 Students completed work based learning**

Areas of Focus:

- Number of **CTE Concentrators** was down across all pathways.
- **CTE Certifications** (268 for 22-23) still are not reporting accurately - KPBSD reported 73 graduating seniors (CTE concentrators) had earned a Post Secondary credentials/certifications
- **Work Based Learning & Post-Secondary credit** - didn't report correctly - need to address with state & determine how to better report numbers.
 - **2022-23 KPBSD students earned 565 HS credits = 1695 college credits!**

Parts A-E of the CLNA:

- A. Student Performance**
- B. CTE program quality (including Size, Scope, and Quality; and Labor Market Alignment)
- C. Implementation of full Programs of Study (CTEPS)
- D. Recruitment, retention, and training of high-quality CTE staff
- E. Equity and access to high-quality CTE programs for all students

Why Middle College vs. Jumpstart?

Student Support

- Mentoring & Seminar Course
- Partnership with KPC
- Paid tuition, books and fees
- **KPMC Orders books!** Students don't have to worry about finding the correct edition or format.
- **Transcripts** - KPC sends final transcripts TO the KPBSD Coordinator, so classes are recorded accurately each term.

Community

- Part of a community of Middle College Students
- Common classes with other MC students
- Advising & Mentoring UNIV Class

Financial Breakdown:

KPBSD College Option comparison:

Middle College:

- 100% tuition & books paid by KPBSD
