AMCO has received a complete renewal application for the above listed license (see attached application documents) within your jurisdiction. This is the notice required under 3 AAC 306.035(c)(2).

To protest the approval of this application pursuant to 3 AAC 306.060, you must furnish the director **and** the applicant with a clear and concise written statement of reasons for the protest within 60 days of the date of this notice, and provide AMCO proof of service of the protest upon the applicant.

3 AAC 306.060 states that the board will uphold a local government protest and deny an application for a marijuana establishment license unless the board finds that a protest by a local government is arbitrary, capricious, and unreasonable.

At the May 15, 2017, Marijuana Control Board meeting, the board delegated to me the authority to approve renewal applications with no protests, objections, or notices of violation. However, if a timely protest or objection is filed for this application, or if any notices of violation have been issued for this license, the board will consider the application. In those situations, a temporary license will be issued pending board consideration.

If you have any questions, please email [amco.localgovernmentonly@alaska.gov](mailto:amco.localgovernmentonly@alaska.gov).

Sincerely,

*Erika McConnell*
