RE: Ordinance 2023-19-38, Accepting and Appropriating \$1,365,000 for the Deep Creek Fish Passage Project, a Partnership between the Kenai Peninsula Borough and the U.S. Fish & Wildlife Service (Mayor)

The Kenai Peninsula Borough (KPB) and the U.S. Fish & Wildlife Service entered into a partnership that will result in planning, conceptual designs, and construction (as funding allows) to provide fish passage restoration in the Deep Creek Watershed (“Project”) within the KPB Road Service Area (RSA). The purpose is to plan, design, and provide construction (as funding allows) to replace two culverts identified on Oilwell Road (20300894 and 20300899).

The Project provides \$1,365,000 of federal funds and \$50,000 in non-federal cash match from previously appropriated RSA operating funds toward Project management and related travel costs.

This Project addresses identified needed fish passage improvements that are within the RSA, and has the potential to provide funding for further opportunities in the future for identified needs.
