Subject: 20-15-20

Dear Kenai Peninsula Assembly Members,

I am writing to ask you to vote NO on 20-15-20 and do not change the northern boundary of the South Peninsula Hospital. This is not the time to change anything as the mayor has recently assembled a health care task force. It is not the time to make significant changes.

Thank you for your consideration. Francie

Agenda Item M.7

Committee PIP
