Re: Capital Project – Aurora Borealis Parking Expansion

Dear Craig,

School District and Borough Maintenance employees have worked together this year to develop a plan to expand parking at Aurora Borealis Charter School to address space and safety concerns. The Charter School Committee has approved the project and the Capital Projects Department has provided a Statement of Probable Cost including a Project Cost Estimate of \$165,185.50.

Please consider this letter the district's request to proceed with the project and our commitment to fund it.

We appreciate the borough's assistance with moving this project forward for the summer 2015 construction season.

Sincerely,

A handwritten signature in cursive script that reads "Dave Jones".
