DATE: March 26, 2015

SUBJECT: Ordinance 2014-19-49, An Ordinance Appropriating \$250,000 for Professional Design Services Associated with the Susan B. English School Shop Restoration Project

A fire occurred at the Susan B. English School shop in Seldovia on November 24, 2014 for which substantial repairs are needed. A request for proposals has been issued for professional design services for the needed restoration and the borough's insurance should cover the majority of the cost of the needed restoration.

This ordinance appropriates \$250,000 from the estimated insurance proceeds that will be received for the Susan B. English School shop fire damages which will provide the initial funding necessary to award the design.

After the design is completed, a second ordinance will be submitted to the assembly for the funding necessary for the needed restoration.
