

AMENDMENT TO THE DE AGRICULTURAL LEASE DEVELOPMENT PLAN

0812221

For

ALASKA LAND AND CATTLE COMPANY

The following Amendment is meant to clarify some statements in the previously submitted plan, as well as provide some additional new information.

FENCING

Any responsible livestock operation shall always be fenced with a permanent PERIMETER FENCING , to provide safety for livestock and the public.

The outline of this type of fencing and its location and installation on the leased land is shown on the enclosed map.

To clarify: Rotational grazing is performed within the permanent fence -line with cross fenced temporary fence.

For obvious safety reasons the barnyard site will be protected with a permanent fence system.

LOCATION of WATER SOURCESFOR LIVESTOCK and Agricultural IRRIGATION.

The location of water sources are marked on the enclosed map.

NUMBER OF LIVESTOCK TO UTILIZE BTHE LAND

This all depends on how vegetation for livestock feed will respond to our effort in crop and Hay production

We figure the land can support 50-100 livestock taking into consideration what the land can produce In conjunction with supported feeding of stored hay and feed.

HOW MANY ACRES OF HAY PRODUCTION

Our calculated estimate is 75 acres

USE OF CATTLEMEN's CABIN

The installation of a cattlemen's cabin is meant to provide

A seasonal and temporary shelter for ranch workers and cowboys while working

On the leased land.

Based on historic weather conditions most likely the leased land (and cabin) will be occupied from month of May thru end of October.

Again weather depending.

The cabin will not be use as a permanent residence.

INSTALLATION of CATTLE Guards

Enclosed is a print out showing how a cattle guard will be constructed and their location on the leased land.

EXTRACTION of GRAVEL ON THE LEASED LAND<

Provide extractible gravel can be found within the leased parcel,

1000 yards will be excavated and used over the life of this lease contract

Compensation to KPB for extracted gravel is at the KPB rate of \$3.25 per yard.

Thank you for your consideration.
