Hi Johni,
Sorry about the confusion.
Peter

Good morning Assembly members,

Good news !!!

Here is an ordinance submitted by Assembly member **Ogle** and co-sponsored by Assembly member **Wolf** that should give all a breath of fresh air and result in a 9-0 vote in favor.

2015-04: An Ordinance Enacting KPB 1.12.070 to Approve a Policy Requiring Fiscal Notes for Certain Legislation (Ogle, Wolf)

It is direct, simple and very positive. This ordinance will insure the Assembly and the electorate know just how much an expenditure of resident tax dollars will cost and the financial impact of those expenditures.

The temptation to hide costs or use unsubstantiated expenditures for nefarious purposes will not be available.

This ordinance will let the Assembly and the electorate, know in advance, the true cost of expenditures. Then an informed, educated and measured vote can be taken.

Please support Ordinance 2015-04 and vote YES.

Thank you,

Peter T. Zuyus
