

Kenai Peninsula Borough Solid Waste Department

MEMORANDUM

TO: Peter Micciche, Borough Mayor

THRU: John D. Hedges, Purchasing & Contracting Department *JH*

FROM: Lee Frey, Solid Waste Director *LF*

DATE: June 26, 2023

RE: Sole Source Waiver – AnalyTix Technologies, LLC

The Kenai Peninsula Borough Solid Waste Department would like to obtain a sole source to purchase antiscalent / antifoam process chemicals from AnalyTix Technologies, LLC. We request this sole source based on chemical compatibility with our existing leachate and our chemical delivery system. We cannot mix nor switch chemicals during the leachate evaporation process without significantly impacting the evaporator system performance.

The purchase is time sensitive because this piece of equipment is vital for everyday landfill functions and our supply of product is low.

We request approval for this purchase. Funding for this project is in account number 290.32122.00000.42210 in the amount of \$33,000.00.

Approved: *Peter Micciche*
