THRU: Charlie Pierce, Mayor *AK for CP*

RE: Ordinance 2022-____, Authorizing a Three-Party Agreement and Real Property Lease with Alaska Pipeline Company and Verizon Wireless (Mayor)

Verizon Wireless (VZN) has proposed to install cellular communication equipment on an existing microwave tower owned and managed by Alaska Pipeline Company (APC). The existing tower is located on Kenai Peninsula Borough (KPB) fee-owned property and authorized under right-of-way grant 051647, conveyed from the Bureau of Land Management to APC on April 25, 1963. The right-of-way grant was issued prior to KPB receiving title and was identified in language on the State of Alaska Patent.

In order to properly document the required relationships between KPB and VZN, APC and VZN, and KPB and APC, a three-party agreement and real property lease is necessary.

The terms of the Three-Party Agreement and Real Property Lease will result in the fair market rental amount split between KPB and APC, as follows:

- The initial monthly lease revenue to KPB in the amount of \$1,499.00 per month with an annual escalator of 3%.
- The initial monthly lease revenue to APC in the amount of \$1,500.00 with an annual escalator of 3%.
- A 5-year initial lease term is provided, with five additional 5-year renewal options.

Your consideration of this ordinance is appreciated.

**KENAI PENINSULA BOROUGH
ORDINANCE 2022-**

**AN ORDINANCE AUTHORIZING A THREE-PARTY AGREEMENT AND REAL
PROPERTY LEASE WITH VERIZON WIRELESS AND ALASKA PIPELINE
COMPANY**

WHEREAS, Verizon Wireless (“VZN”) is proposing to install cellular communication equipment on an existing microwave tower owned by Alaska Pipeline Company (“APC”); and

WHEREAS, APC is grantee of BLM Right-of -Way Grant 051647 dated April 25, 1963 for the specific permitted use being “Plant site for microwave relay station necessary to the operation of approved Right-of-Way, Anchorage 051647”; and

WHEREAS, the Kenai Peninsula Borough (“KPB”) through Municipal Entitlement selection, received fee patent from the State of Alaska on July 16, 2003, of the property subject to “A right-of-way easement for microwave relay station, ADL 223553”; and

WHEREAS, APC has expressed specific interest in preserving its authority as granted under the right-of-way grant without modification; and

WHEREAS, KPB is identified as the fee simple owner subject to the right-of-way grant wherein APC is the owner of the established microwave tower and supporting infrastructure requiring a three-party agreement and real property lease necessary to establish the various relationships between KPB and VZN, ACP and VZN, and KPB and APC under the proposed agreement; and

WHEREAS, the proposed Three-Party Agreement and Real Property Lease have been negotiated on terms which would provide monthly lease revenue to both KPB and APC, while preserving the existing terms of the initial grant of right-of-way to APC; and

WHEREAS, the Kenai Peninsula Borough Planning Commission at its regularly scheduled meeting of May 9, 2022, recommended _____;

NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:

SECTION 1. That the assembly finds that entering into a three-party agreement and real property lease with APC, and VZN, pursuant to KPB 17.10.100(I), authorizing the negotiated lease of KPB lands, is in the best interest of KPB at the following location:

N $\frac{1}{2}$ NE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 1, Township 4 North, Range 12 West, Seward Meridian, Kenai Recording District, State of Alaska.

This finding is based on the following facts:

1. The KPB will receive a fair market rent, in the initial amount of \$1,499.00 per month with an annual escalator of 3%.
2. The lease terms provide for an initial 5-year term with an option to renew for five additional 5-year terms.
3. The land will be used to provide communication services that will improve connectivity for the residents of the KPB.
4. That the communication improvements are compatible with the site, existing improvements and uses.

SECTION 2. The terms of the agreement between KPB and VZN, KPB and APC are approved and consented with respect to the terms between APC and VZN.

SECTION 3. The terms of the agreement are exclusive to VZN, their successors and or assigns and does not expand or diminish APC's interest in the real property

SECTION 4. Pursuant to KPB 17.10.230, the assembly authorizes an exception to the requirements of KPB 17.10.080, KPB 17.10.090 and KPB 17.10.110 governing classification, disposition, and notice with respect to leasing of borough lands, based on the following facts:

1. That special circumstances or conditions exist.
 - a. The proposed Three-Party Agreement and Real Property Lease incorporates lease terms solely with APC and VZN, for the purpose of installing new cellular communication equipment on an existing microwave relay tower, wherein said tower is authorized by right-of-way grant conveyed prior to KPB ownership.
 - b. The proposed agreement does not expand the encumbered area outside that to which APC has received an existing right-of-way grant.
2. That the exception is necessary for the preservation and enjoyment of a substantial property right and is the most practical manner of complying with the intent of this chapter.
 - a. The notice requirement is intended to make the public aware of an opportunity to purchase KPB property, which is unnecessary since the intent of the disposal is to enter into a three-party agreement and real property lease with APC and VZN.

- b. The communication uses are not primary factors in the land classification system.
- 3. That the granting of this exception will not be detrimental to the public welfare or injurious to other property in the area.
 - a. Terms of the Three-Party Agreement and Real Property Lease, are compatible with the existing land uses and surrounding land uses.
 - b. The addition of VZN installed communication equipment on the existing microwave tower will benefit the residents of the KPB.

SECTION 5. Based on the foregoing, the mayor is hereby authorized pursuant to KPB 17.10.100(I) to negotiate and enter into a three-party agreement and real property lease upon the property identified in Section 1. The authorization shall be for an agreement with APC and VZN for the installation of cellular communication equipment by VZN on an existing microwave tower owned by APC with terms and conditions substantially similar to the agreement accompanying this resolution.

SECTION 6. VZN and APC shall have 120 days from the date of enactment of this ordinance to execute the Three-Party Agreement and Real Property Lease.

SECTION 7. That rent revenue for the benefit of KPB shall be submitted to the KPB Finance Department and deposited as follows:

Land Trust Account: 250.00000.00000.36317.

SECTION 8. That this ordinance shall be effective immediately upon its enactment.

ENACTED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH THIS ____ DAY OF MAY 2022.

Entry or re-entry by KPB shall not be deemed an acceptance of surrender of the contract.

1.21 Removal or Reversion of Improvements Upon Termination of Lease. Improvements on the Property owned by VZN shall, within sixty (60) calendar days after the termination of the Agreement, be removed by VZN; provided such removal will not cause injury or damage to the Property or Kalifornsky Tower; and further provided that KPB may extend the time for removing such improvements in cases where hardship is proven.

If VZN fails to remove improvements or chattels upon KPB's request, with sufficient notice to APC, KPB may do so at the expense of VZN.

1.22 Rental for Improvements or Chattels Not Removed. 1.24 Responsibility of Location. It shall be the responsibility of VZN to properly locate itself and its improvements on the Property.

1.25 Liens and Mortgages. VZN shall not cause or allow any liens of any kind or nature whatsoever to attach to the Property during the term of this Agreement. The receipt by KPB of any payment of any other sum of money after notice of termination or after the termination of the Agreement for any reason, shall not reinstate, continue or extend the Agreement, nor shall it destroy nor in any manner impair the efficacy of any such notice of termination unless the sole reason for the notice was nonpayment of money due and the payment fully satisfies the breach.

1.27 Jurisdiction. Any lawsuits filed in connection with the terms and conditions of this Agreement, and of the rights and duties of the parties, shall be filed and prosecuted in

1.30 Full and Final Agreement. This Agreement constitutes the full and final agreement of the parties hereto and supersedes any prior or contemporaneous agreements. This Agreement may not be modified orally, or in any manner other than by an agreement in writing and signed by both parties in interest. VZN avers and warrants that no representations not contained within this Agreement have been made with the intention of inducing execution of this Agreement.

1.31 Warranty of Authority. VZN warrants that the person executing this Agreement is authorized to do so on behalf of VZN.

PART TWO: Terms defining the relationship of this Agreement between APC and VZN.

WHEREAS, APC operates several microwave radio towers and related ground facilities that are located on both the Kenai Peninsula and in Anchorage, Alaska;

WHEREAS, APC is Grantee of an existing Right-of-Way Grant initially conveyed under authority of the Bureau of Land Management and now administered by the Kenai Peninsula Borough;

WHEREAS, VZN owns and operates a cellular telephone system in south central Alaska and the lower 48 states;

WHEREAS, APC desires to lease a portion of APC's existing Kalifornsky microwave radio tower and related ground facilities for use in VZN's cellular telephone System;

IN CONSIDERATION OF THE ABOVE, APC and VZN agree as follows:

2.1. Agreement. APC does hereby consent to and authorize VZN the nonexclusive use of a portion of APC's existing Kalifornsky microwave radio tower for placement of three cellular antennas to be located at a height between 101 feet and 121 feet, one four-foot diameter parabolic dish to be located at a height of 100 feet, three 8-foot panel antennas at a height of 115 feet and all cables, mounts and equipment as shown in Exhibit "A" which is attached hereto and made a part hereof by this reference. APC shall additionally authorize VZN use of exterior ground space for access, utilities, and ground space near the base of the radio tower measuring 16 feet by 12 feet for the cellular carrier equipment described in Exhibit "A", which is attached hereto and made a part hereof by this reference. The Kalifornsky tower and related ground facilities are more fully described in Exhibit "A".

2.2. Equipment. VZN's antennas, parabolic dishes and cables shall be firmly anchored to the radio tower. All cellular carrier equipment must be distinctly marked with Lessee's name, call sign and frequency. During the term of this Agreement, VZN shall not alter, add to, replace or improve equipment without the prior written consent of APC, which consent shall not be unreasonably withheld. VZN covenants and agrees that the installation, operation and maintenance of equipment will:

Not damage, as determined in APC's sole discretion, APC's buildings, tower structures, or related facilities;

Not interfere with, as determined in APC's sole discretion, the operation and maintenance of APC's microwave radio communication system or other utility operations;

Comply with all applicable federal and state laws, rules, codes and regulations applicable to VZN's operations (as may currently exist or may hereinafter be adopted) including, but not limited to, those of the FCC, FAA, OSHA, MIOSHA and the Regulatory Commission of Alaska; and

Comply with the electrical codes and zoning ordinances of the Kenai Peninsula Borough (as now exist or may hereinafter be enacted or adopted).

2.3. Access. APC agrees that, during the term of this Agreement, VZN shall have 24/7 access to their ground equipment at the Kalifornsky facility for the purpose of maintenance, operation and repair of VZN equipment. VZN shall provide APC with a current list of employees authorized to work on VZN equipment. VZN shall maintain a log of entry and exit onto APC's facility and provide that data upon request. VZN shall contact ENSTAR Natural Gas Company Gas Communications ("ENSTAR") at (907) 334-

7750 prior to entering and upon exiting the Kalifornsky facility; provided, however, VZN shall not be required to give telephone notices to ENSTAR in the event of an emergency in VZN's sole discretion. Notwithstanding the foregoing, the parties agree that only qualified contractors approved by APC, under APC's direct supervision, will be permitted to install or remove antenna or coaxial cable or access the tower structure.

2.4. Term. The term of this Agreement shall be concurrent with the terms referenced in Part One, including the election and execution of renewals. VZN's notice of renewal shall include notice to APC. Each Extended Term shall be on the same terms and conditions as set forth herein except that the rent shall be adjusted as described in Paragraph 2.5.

2.5. Rent. VZN shall pay rent to APC in advance on the 1st day of each month during the first year of the Initial Term in the amount of \$1,500 per month. If VZN exercises its options to extend this Agreement, the rent shall be increased 15% at the beginning of each Extended Term. Rental payments that are past due by more than twenty days will incur interest at the rate of nine percent (9%) per annum. VZN shall pay all collection costs, including reasonable, actual attorney fees and court costs.

2.6. Surveys and Testing. During the first six months of the Initial Term, VZN shall have the right to perform surveys, structural, soils and environmental tests and other engineering tests and procedures on, under and over the facilities described in Paragraph 2.1. Any and all surface and subsurface testing by VZN will require the prior notice and approval of APC and KPB as provided in Part one of this Agreement. If during the first six months of the Initial Term defects are shown by such survey or tests which, in the opinion of VZN, may adversely affect VZN's use of Lessee Equipment, VZN shall have the right to terminate this portion of the Agreement between APC and VZN upon 60 days notice to APC and have no further obligation to APC.

2.7. Licensing. VZN shall obtain and maintain at its expense all licenses required by the FCC for VZN Equipment. A copy of VZN's FCC license shall be furnished to APC and KPB on or before the first effective day of this Agreement. Notwithstanding any other term or provision in this Agreement to the contrary, in the event that any license required by the FCC for either the APC or VZN is terminated or revoked (or the FCC threatens to terminate APC's license because of this Agreement), APC may, upon five days written notice, terminate this portion of the Agreement and APC shall have no further obligation to VZN hereunder.

2.8. Interference. VZN shall not use, nor shall VZN permit its employees, invitees, or agents to use VZN equipment in any way that interferes with (as determined by APC in its sole discretion) the operations of APC's microwave radio communication system or other utility operations. Upon notice from APC, VZN shall take all actions necessary to correct and eliminate said interference at VZN's cost and expense. The parties acknowledge that continuing interference will cause irreparable injury to APC, and APC shall have the right, in addition to any other rights that it may have at law or in equity, to bring action to enjoin such interference. APC agrees that VZN will be permitted to install only such radio and other equipment that is of the type and frequency which will not cause interference to APC. In the event of termination, APC shall have no further obligation to VZN.

2.9. Utilities. VZN, at their sole expense, shall arrange for its own supply of electrical power to VZN's equipment. APC will not be responsible for any power interruption or outage, regardless of the cause of such interruption or outage. With prior written consent of KPB and APC, VZN may, at VZN's sole expense, add new utilities and/or install an emergency power generator at the Kalifornsky location.

2.10. Taxes. VZN shall pay any personal property taxes assessed on VZN equipment. APC shall pay when due all real property taxes. However, upon notice from APC, VZN shall pay as additional rent any increase in real property taxes levied against the Kalifornsky property, which increase is directly attributable to VZN's use of said property.

2.11. Insurance. VZN shall, at its expense, procure and maintain insurance on all of its operations, with carriers reasonably acceptable to APC, including the following coverages:

Workers' Compensation in compliance with the statutory requirement of the state(s) of operation and Employer's Liability insurance with a limit of (\$1,000,000) each accident/disease/policy limit;

Commercial General Liability insurance with a limit of \$1,000,000 per occurrence from bodily injury and property damage and \$1,000,000 general aggregate covering all operations; and

Commercial Automobile Liability insurance in an amount of \$1,000,000 combined single limit each accident for bodily injury and property damage, covering all owned, hired and non-owned automobiles.

VZN shall include APC as additional insured as their interest may appear under this

Agreement under the Commercial General Liability policy and provide APC with a Certificate of Insurance, including a blanket waiver of subrogation endorsement as required by Paragraph 2.13 below before commencing operations under this Agreement. Upon receipt of notice from its insurer(s), VZN shall use commercially reasonable efforts to provide APC with thirty (30) days' prior written notice of cancellation of any required coverage.

2.12. Indemnification. Except as otherwise provided in Paragraph 2.17 below, to the fullest extent permitted by law, VZN agrees to indemnify, defend and hold APC harmless from and against any and all claims, liabilities, or causes of action (including, without limitation, court costs and reasonable attorney's fees) that may arise directly or indirectly from VZN's occupancy of APC buildings or other facilities and/or the installation, maintenance and operation of VZN equipment. Except as otherwise provided in Paragraph 2.17 below, to the fullest extent permitted by law, VZN agrees to indemnify, defend and hold APC harmless from and against any and all claims, liabilities, or causes of action (including, without limitation, court costs and reasonable attorney's fees) that may arise directly or indirectly from the installation, maintenance and operation by APC of APC's microwave radio communication system. The indemnity obligations under this paragraph shall survive termination of this Agreement. APC agrees to indemnify and hold VZN harmless from and against any and all claims, liabilities, or causes of action (including, without limitation, court costs and reasonable attorney's fees) that may arise directly or indirectly from any hazardous substance, pollutant or contaminant attributable to APC's personal property interest or APC's use of the premises hereunder. The parties recognize that VZN is only leasing a small portion of the Property, and that VZN shall not be responsible for any environmental condition except to the extent caused by VZN.

2.13. Waiver of Subrogation. To the extent it does not void either party's insurance coverage, the parties release each other and their respective authorized representatives from any claims for damage to any person or the premises and to the fixtures and personal property that are caused by or result from risks insured against under any insurance policies carried by the parties and in force at the time of any such damage. If available, each party shall cause each insurance policy obtained by it to provide that the insurance carrier waives all right of recovery by way of subrogation against either party in connection with any damage covered by any policy.

2.14. Notices. Notices shall be given by hand delivery, mail, or email to the following

addresses:

VZN:

Cellco Partnership
d/b/a Verizon Wireless

Bedminster, New Jersey 07921
Attention: Network Real Estate

APC:

Telephone: 907-334-7983

2.15. No Warranty. Neither APC nor VZN make any representation (except as stated herein) or warranty of any kind or nature, directly or indirectly, express or implied, as to any matter whatsoever, including merchantability or fitness for a particular purpose.

2.16. Waiver and Consent. Neither party shall be deemed to have waived any rights under this Agreement unless such waiver is in writing and signed by the party claimed to have waived a provision of this Agreement. No delay or omission on the part of either party in exercising any right shall operate as a waiver of such right or any other right. A waiver by either party of a provision of this Agreement shall not prejudice the party's right to demand strict compliance with that provision in the future.

2.17. Waiver of Certain Damages. Neither party shall be liable to the other for exemplary, punitive, incidental or consequential damages resulting from or arising out of this Agreement, whether the claim is based in contract, tort or strict liability.

2.18. Destruction of or Damage to Premises. If the premises that are the subject matter of this Agreement become substantially unusable, as determined in APC's sole discretion, due to fire, flood, earthquake or other cause, APC is not obligated to repair or restore the premises. VZN's sole remedy is to terminate this Agreement with APC. If the premises are damaged but are not rendered substantially unusable, as determined in APC's sole discretion, APC shall endeavor to repair such damage within 24 hours, subject however to the provisions of Paragraph 2.19 below.

2.19. Force Majeure.

Force Majeure Event. "Force Majeure Event" shall mean any act, event or circumstance that (a) renders it impracticable for the affected party to perform its obligations under this Agreement, (b) is beyond the affected party's reasonable control, (c) is not due to the affected party's fault or negligence and (d) cannot be avoided by the exercise of due diligence, including the expenditure of any reasonable sum of money and insurance proceeds available to the parties. The term "Force Majeure Event" shall include by way of example and not limitation, acts of God, natural catastrophes, acts of the public enemy or terrorists, strikes, lockouts or industrial disputes or disturbances, breakage or accident to equipment, interference or regulation by public bodies or officers acting under claim of authority, or any other cause whether or not similar to the foregoing, beyond the reasonable control of the party so unable to perform. Force Majeure.

APC's obligations under this Agreement shall be suspended insofar as the performance of its obligations is rendered impracticable by a Force Majeure Event, and any delay or failure that is directly and proximately caused by such Force Majeure Event shall not constitute a default under this Agreement.

(ii) A Force Majeure Event shall be effective upon its occurrence. APC shall promptly, and in any event not later than two days from such occurrence, deliver to VZN and KPB a notice declaring that a Force Majeure Event has occurred. Such notice shall set forth in reasonable detail (i) the events, conditions, circumstances or occurrences that constitute the Force Majeure Event, (ii) whether the Force Majeure Event is continuing, and (iii) the date and time on which such Force Majeure Event first occurred. Promptly thereafter, APC shall deliver to VZN a statement describing in reasonable detail all material facts and events with respect to the measures taken or proposed to be taken by it to resume APC's obligations under this Agreement.

(iii) APC shall use due diligence and reasonable commercial efforts and shall take reasonable precautions or pursue reasonable alternative measures available to it to prevent the occurrence or continuation of a Force Majeure Event, or to mitigate the effects thereof.

2.20. Independent Entities. For all purposes under this Agreement, APC and VZN are independent entities and are not the agent, partner or employee of the other.

2.21. Outside Beneficiary. Nothing in this Agreement is intended to benefit any party

not a signatory hereto.

2.22. No Parties as Draftsperson. The parties recognize that this Agreement is the product of the joint efforts of all parties and agree that it shall not be construed against one party or the other as a result of the preparation, submittal or other event of negotiation, drafting or execution hereof.

2.23. Assignment. Without approval or consent of APC, the interests of APC and VZN as defined under this section of the Agreement may be sold, assigned or transferred by either APC or VZN to (i) any entity in which the Party directly or indirectly holds an equity or similar interest; (ii) any entity which directly or indirectly holds an equity or similar interest in the Party; or (iii) any entity directly or indirectly under common control with the Party. It is expressly understood that this consent applies only to the relationship between APC and VZN as defined under this Agreement. Approval of above referenced transfers will require consent and approval of KPB. VZN may assign this Agreement to any entity which acquires all or substantially all of VZN's assets in the market defined by the FCC in which the improvements are located by reason of a merger, acquisition or other business reorganization without approval or consent of APC. VZN will not directly or indirectly sell, assign, sublet or otherwise transfer all or a portion of its interest under this Agreement, without the prior written consent of KPB and APC, which consent shall not be unreasonably withheld. The foregoing notwithstanding, VZN may, upon written notice to KPB and APC, and in accordance with Section 1.25 above, mortgage or grant a security interest in this Agreement and VZN's telecommunications facilities and may assign this Agreement and VZN's telecommunications facilities to any such mortgagees or holders of security interest including their successors or assigns (collectively, the "Mortgagees").

2.24. Successors and Assigns. This Agreement shall be binding on and inure to the benefit of the parties hereto and their respective successors and assigns.

2.25. Governing Law. The laws of the State of Alaska shall govern the jurisdiction, venue, interpretation and construction of this Agreement, excluding any choice of law rules that may direct jurisdiction, venue, interpretation or construction of this Agreement to other jurisdictions.

2.26. Condition of Leased Premises following Termination. Within 60 days following termination of this Lease Agreement, VZN, at VZN's sole cost, will remove from the leased premises all personal property including antennas, dishes and other equipment, unless

APC consents in writing to VZN leaving equipment in place on the property. Any equipment remaining on or attached to the personal property interest of APC with APC's consent will become the property of APC at no cost or charge.

2.27. Miscellaneous. This Agreement constitutes the entire agreement between APC and VZN and supersedes any and all previous agreements between them. This Agreement will not be amended, altered, or changed except by written agreement signed by all parties.

2.28. Termination. This Agreement may be terminated, without penalty or further liability, on thirty (30) days' written notice as follows:

by either party, upon a default of any covenant or term thereof by the other party, if such default is not cured within sixty (60) days (except for the payment of rent which must be cured within ten (10) days) from receipt of written notice of default (without limiting any other rights available to the parties pursuant to any other provisions hereof);

by VZN, if it is unable to obtain or maintain any license, permit or other governmental authority necessary for the construction and/or operation of the VZN's telecommunications facilities or VZN's business;

by VZN, upon the annual anniversary of the Commencement Date, following the expiration of the Agreement's initial five (5) year term, upon three (3) months' prior notice to KPBB and APC, notwithstanding anything to the contrary contained herein, provided VZN is not in default hereunder beyond applicable notice and cure periods;

by APC, if it is unable to obtain or maintain any license, permit or other governmental authority necessary for the operation and maintenance of the APC's microwave radio communication system;

by APC, if a change in technology or change in law or other governmental regulation makes it necessary or desirable to cease operation and maintenance of the APC Kalifornsky tower.

This Lease Agreement may be terminated by either party for any reason or no reason, without penalty or further liability, on six months' written notice.

2.29. Cellco Partnership Identity. Cellco Partnership d/b/a Verizon Wireless is a general partnership formed under the laws of the State of Delaware. A disclosure statement

regarding Cellco Partnership identity is attached as Exhibit G and incorporated herein by reference.

PART THREE: Terms defining the relationship of this Agreement between KPB and APC.

3.1 Mutual Consent to Colocation. KPB as Fee Owner and Lessor hereby consents to the colocation of wireless apparatus, necessary components and improvements as they may specifically relate VZN's proposed use as defined in this Agreement. The KPB-approved colocation is to be confined to the existing tower and ground improvement locations as they may currently exist or as proposed on the site plan attached as Exhibit A. The approved colocation is exclusive to VZN. No future or additional colocation or expansion of the original use is allowed without approval from KPB. APC consents to the colocation and use by VZN as defined in this Agreement. KPB consents to the terms of the Agreement between APC and VZN, notwithstanding the rights and limitations of the 1963 Right-of-Way Grant attached hereto as Exhibit D, and to the extent it does not conflict with the terms of the agreement between VZN and KPB and APC and KPB.

3.2 Only Agreement. This Agreement, including all referenced Exhibits shall be the sole governing document authorizing the lease terms of the Property by VZN. APC may not enter into, modify, amend, assign or otherwise redefine the above stated relationship without KPB's written approval.

3.3 No Alteration of BLM 1963 Right-of-Way Grant to APC. APC is the grantee of that BLM Right-of-Way grant filed December 16, 1960 as BLM Serial Number 0535888 (Attached as Exhibit D). It is expressly understood and the intention of KPB and APC that the existence of this Agreement in no way modifies, alters, or implies changes to the rights of APC or KPB as provided under the Right-of-Way Grant. Acquisition of personal property as provided for under Section 2.26, shall in no way imply consent by KPB of expanded use by APC under the original Right-of-Way Grant. Notwithstanding any provisions in this Agreement to the contrary, this Agreement does not amend or supersede the BLM Right-of-Way Grant to APC.

PART FOUR: Three party provisions between KPB, VZN and APC.

4.1. Three Party Provisions. The provisions in this Agreement shall apply to one or all parties as defined.

4.2. No Modifications. No modifications shall be made to any part of this Agreement without the specific involvement of all parties. Any changes to this Agreement must be in writing and must bear the signature of all parties regardless of the relationship or specific part of the Agreement being addressed.

4.3. Counterparts. This Agreement may be executed in counterpart, and may be executed by electronic signature in compliance with AS 09.43 and 15 USC 7002, each of which when so executed and delivered shall be considered an original and all of which when taken together will constitute one and the same instrument.

4.4. Memorandum. A short-form Memorandum of Lease may be recorded in the form as depicted in Exhibit C, attached hereto. KPB will promptly execute any Memorandum of Three-Party Agreement and Real Property Lease, or corrective amendments thereto, upon written request of APC or VZN.

4.5 Sole Agreement: This Agreement and Exhibits, appendices or incorporated attachments hereto, constitute the only documentation memorializing the relationship of the parties and providing the authority and consent required for the proposed uses by VZN.

4.6 Entire Agreement. This Agreement its sections, parts, Exhibits, appendices or incorporated attachments hereto, constitute the entire "Agreement" and will supersede all prior offers, negotiations and agreements with respect to the subject matter of this Agreement.

4.7 Conflicting Terms. In the event conflicting terms are discovered at any point during the term of the Agreement, all parties agree to endeavor to resolve the conflict by incorporating mutually approved language and; those changes may be addressed by way of addendum to the Agreement executed by all parties.

4.8 No Parties as Draftsperson. The parties recognize that this Agreement is the product of the joint efforts of all parties and agree that it shall not be construed against one party or the other as a result of the preparation, submittal or other event of negotiation, drafting or execution hereof.

SO AGREED.
