RE: Resolution 2021-011, Accepting Emergency Response Training Manikin Equipment from the Southern Region Emergency Medical Services Council, Inc. on Behalf of Nikiski Fire Service Area (Mayor)

Southern Region Emergency Medical Services Council, Inc. ("Southern Region") is a nonprofit corporation that serves as a resource center for emergency medical response agencies located in low to moderate income, rural communities. Nikiski Fire Service Area (NFSA) submitted a "Code Blue Phase 20" revised application to purchase a training manikin. The revised application updated the original request for a Lucas Chest Compression unit because the service area purchased this unit prior to grant notification.

Southern Region approved NFSA's revised application for the equipment grant and will purchase the equipment on behalf of NFSA. NFSA is required to provide a local match of \$1,348.50. Funds are available in the service area's approved FY21 budget to meet the match requirement. This resolution is scheduled to go before the NFSA board on February 10, 2021. The recommendations of the board will be submitted to the assembly prior to the February 16th assembly meeting.

Chief Crisp will oversee grant requirements for equipment inventory and maintenance.
