It was our intention throughout the negotiations to find a long term solution to a community problem. We do not wish to cause harm to neighbors. We feel Ordinance 02014-32 accomplished that: we permanently give up development rights to our property in exchange for a Borough lot that RETAINS a drainage easement for future Borough needs. However we understand that the Assembly has proposed a Substitute, another solution to the problem. We Support the Substitute 2014-32 and hope to move forward.
