### MEMORANDUM

**TO:** Dale Bagley, Assembly President  
Kenai Peninsula Borough Assembly Members

**FROM:** Brent Johnson, Assembly Member *(B) for B. J.*

**DATE:** June 4, 2014

**RE:** Ordinance 2015-16, An Ordinance Expanding the Boundaries of the Anchor Point Fire and Emergency Medical Service Area to Include a Portion of Cook Inlet (Johnson/Mayor)

---

Development at the Cosmopolitan Unit offshore of Stariski Creek may result in additional responsibilities for the Anchor Point Fire and Emergency Medical Service Area ambulances. Facilities built offshore would currently be outside of the Anchor Point Fire And Emergency Medical Service Area boundary. This ordinance intends to amend the boundary to include any nearshore oil or gas properties.

The State of Alaska taxes all oil and gas properties at 20 mills. Local government taxes are simply subtracted from the 20 mill rate so the boundary change would not affect the owners of the property.

Your consideration is appreciated.
