This letter is being written to address the issue of the Ninilchik Trading Company (a.k.a. Ninilchik General Store) who is hoping to be able to sell package liquor from their business establishment.

As residents of the Ninilchik area, we rely heavily on the economy that tourism brings to our village. This tourism in one way or another usually revolves around fishing and the businesses associated with it. As the only public school for 20 miles north or south, many of the local businesses are located very close to school property. This includes current establishments that sell alcohol. It is not the school's responsibility to discourage or support, legal, commercial activity. Ninilchik School will not be in opposition to the Ninilchik Trading Company or any other business that would like to start legal, commercial activity.

Sincerely,

A handwritten signature in black ink that reads "Jeff Ambrosier". The signature is written in a cursive, flowing style.
