THRU: Mike Navarre, Mayor *MN*

FROM: Bruce Wall, Planner *BW*

DATE: February 2, 2017

SUBJECT: Ordinance 2017-*03* Amending the Kenai Peninsula Borough All-Hazard Mitigation Plan by Deleting Existing Annex F, 2010 City of Soldotna All Hazard Mitigation Plan Update, and Adopting the City of Soldotna All Hazard Mitigation Plan 2016 Update as the New Annex F (Mayor)

The City of Soldotna has recently completed an update to its All Hazard Mitigation Plan and is requesting that the borough adopt the updated plan. Keeping this plan updated is required in order to be eligible for certain types of non-emergency disaster funding, including funding for mitigation projects.

The Soldotna Planning & Zoning Commission began the process to solicit and gather feedback and questions from the public about the plan update at its September 7, 2016 meeting. Feedback from the public as well as feedback from FEMA and the State of Alaska was incorporated into the plan update.

The Soldotna Planning Commission held an additional public meeting on January 18, 2017 and the Soldotna City Council held a public meeting on the update to the All Hazard Mitigation Plan on January 25, 2017.

The recommendation of the borough Planning Commission will be provided prior to the hearing on this ordinance.
