Something for Everyone

Boost Your Money

This summer, the City of Homer is matching every contribution to **SPARC** by a whopping **50%**! One-half of everything you contribute grows hugely!

WINTER BLUES BE GONE

Soggy, warm winters got you down? Help us take back winter. SPARC offers the first public space for indoor, healthy fun and community.

School fields might be muddy and closed, and sidewalks may be icy and bone-breakers for seniors; but winters will still be awesome with the SPARC.

Let's take back winter! Please help us build SPARC in the summer of 2016! Be sure to visit us online for the latest developments and other ways you can GET INVOLVED!

PERFECTLY POSITIONED

Located at the Homer Middle School, it's perfectly placed to help Homer West Elementary and Junior High kids. It's also just a stone's throw from downtown, and thanks to Mayor Navarre and the Borough Assembly, the site is ours to use for the next 20 years or more!

HELP US RAISE THE SPARC!

We plan to erect SPARC in September, and we also have funds to raise. Please help with a donation. We've raised 75% of the funds already, and we are almost there!

We also need help with planning, community organizing, earth work expertise, and visionaries who have ideas for new ways to use this giant new space.

Email, call, or visit us on Facebook when you have time or resource to share.
