

Kenai Peninsula Borough Assembly

MEMORANDUM

TO: Members, Kenai Peninsula Borough Assembly

FROM: Brent Johnson, Assembly President *BJ*
Brent Hibbert, Assembly Vice-President *BH*
Bill Elam, Assembly Member *BE*

DATE: March 24, 2022

RE: Resolution 2022-____, Supporting HB 367 "An Act Relating to the Planning Commission Apportionment Requirement for First and Second Class Boroughs" (Johnson, Hibbert, Elam)

This resolution is the natural follow-up to Resolution 2022-013. The Assembly, by unanimous vote, asked the Alaska Legislature to amend AS 29.40.020(a). Representative Ron Gillham has done just that by introducing HB 367. Now it behooves the Assembly to support that bill.

Your consideration is appreciated.
