KPB File No.	2022-165
Plat Committee Meeting:	December 12, 2022
Applicant / Owner:	Norberg Community Property Trust of Homer, Alaska
Surveyor:	Stephen Smith / Geovera, LLC
General Location:	Lakeshore Drive, City of Homer

Parent Parcel No.:	179-191-06, 179-191-07, 179-191-08
Legal Description:	Lots A1, A2, and A3, Homer One Swan Cove Addn, Plat HM 2012-23
Assessing Use:	Residential / Commercial
Zoning:	General Commercial 1 District
Water / Wastewater	City

STAFF REPORT

Specific Request / Scope of Subdivision: The proposed plat will combine three lots into one lot that will be 2.146 acres.

Location and Legal Access (existing and proposed): The proposed plat is located in the City of Homer between Lakeshore Drive and Beluga Lake. Lakeshore Drive is a 50 foot wide dedicated right-of-way that is constructed and managed by the City of Homer. The subdivision has multiple access routes that come from state maintained Ocean Drive or FAA Road. The most direct is either using A Street or Douglas Place to connect to Lakeshore Drive, both are 50 foot wide dedications managed by the City of Homer.

The current lots are vacant with all three having access via Lakeshore Drive. The plat will combine the lots into one and access will remain on Lakeshore Drive. Access is also available from Beluga Lake.

A Street, Lakeshore Drive, Landings Street, and Beluga Lake define the block. The block is incomplete due to the inability to dedicate a connection due to Beluga Lake. All distances within the block are compliant.

Lakeshore Drive is dedicated at 50 feet wide. KPB Code requires a minimum width of 60 feet wide. An exception has been requested.

KPB Roads Dept. comments	Out of Jurisdiction: Yes Roads Director: Uhlin, Dil Comments: No comments
SOA DOT comments	

Site Investigation: The proposed replat is along the shores of Beluga Lake. Lake Meander is shown per record. The preliminary plat does not indicate low wet areas. Per the Kenai Watershed Wetlands Assessment the entire subdivision is subject to a type of wetlands classification of either discharge slope or wetland/upland complex. The wetlands determination note is present. ***Staff recommends the wetlands not be required to be shown but the determination note remain.***

The City of Homer requested a plat note be added with flood panel information that has been added.

The property is currently vacant and there does not appear to be any encroachment issues. The City of Homer did hear at the same meeting a conditional use permit for the property. Any construction will comply with City of Homer zoning.

State of Alaska Fish and Game	

Staff Analysis Bay View Subdivision, Plat HM 53-839, originally subdivided the area containing the subject plat. The plat created many lots around .25 acres and a few closer to .5 acres. The plat also dedicated the rights-of-way in the area. Excluding Ocean Drive, the roads on the plat were all dedicated with 50 foot width.

The subject lots were replatted by Homer One, Plat HM 84-24. That plat vacated B Street that originally went through the subject property to provide access to Beluga Lake.

The lots were replatted into their current configuration by Homer One, Swan Cove Addn, Plat HM 2012-23. That plat created four lots including two that were flag lots. Three of those lots are proposed to be reconfigured by this plat into one lot. This platting action will eliminate the flag lots and will increase the lots from under an acre each to a lot that is 2.146 acres.

City water and sewer are available. An installation agreement or documentation that one is not required will need to be submitted by the City of Homer.

Per the preliminary Certificate to Plat, beneficial interest holders do not affect the proposed plat. Notification per KPB 20.25.090 will not be required unless the final Certificate to Plat states the property is affected by beneficial interest holders.

The City of Homer Planning Commission heard the preliminary plat at their October 19, 2022 regular meeting. They recommended approval with the following comments:

- “1. Include a plat note stating property is subject to the City of Homer regulations check with City of Homer Planning Department prior to any development activity.
2. Update plat note #3 to map number 02122C2020E effective 10/20/2016, revision 17-10-0041P-020107 effective 3/31/2017. Check with Kenai Peninsula Borough regarding panel number/format.
3. The City of Homer does not object to an exception to the roadway width of Lakeshore Drive.”

Items one and two have been addressed and item 3 shows their support for the exception request.

Utility Easements The original plat did not grant any easements on the subject property to carry over. The replat of the property did grant easements that are depicted and being carried over with source cited. The easements include 15 foot utility easements adjacent to Lakeshore Drive, 10 foot utility easements along the west and east boundary, and water and sewer easements within the former panhandles.

The affected utility providers were emailed the subdivision plat public hearing notice as part of the routine notification process. **Staff recommends** to grant utility easements requested by the utility providers or work with the utility providers to obtain approval.

STAFF RECOMMENDATIONS
CORRECTIONS / EDITS

KPB 20.25.070 – Form and contents required

Staff recommendation: final plat submittals must comply with 20.25.070. Additional information, revisions, and/or corrections are required as noted below.

KPB 20.30 – Subdivision Design Requirements

Staff recommendation: final plat submittals must comply with 20.30. Additional information, revisions, and/or corrections are required as noted below.

20.30.270. Different standards in cities. Where cities have enacted by ordinance different subdivision design standards than those set forth in this chapter, the planning commission shall apply the city standards in lieu of those set forth in this chapter. Any appeal of a city design standard is subject to KPB 21.01.020(E).

Staff recommendation: The City of Homer does not meet the specified requirements for the application and consideration of different standards.

KPB 20.40 – Wastewater Disposal

Staff recommendation: final plat submittals must comply with 20.40. Additional information, revisions, and/or corrections are required as noted below.

20.40.010 Wastewater disposal.

Platting Staff Comments: City water and sewer available.

Staff recommendation: comply with 20.40.

KPB 20.60 – Final Plat

Staff recommendation: final plat submittals must comply with 20.60. Additional information, revisions, and/or corrections are required as noted below.

20.60.080. Improvements-Installation agreement required. A final plat of a subdivision located within city limits shall not be recorded with the district recorder prior to compliance with any city ordinances concerning the installation of improvements. Evidence of compliance shall be provided by the subdivider in the form of a written statement from the appropriate city official that improvements required by city ordinance are or will be installed. Evidence of compliance shall be a part of the final plat submission and the time for action required by KPB 20.60.210 shall not commence until evidence of compliance is submitted.

Staff recommendation: Installation agreement or documentation one is not required must be submitted.

20.60.180. Plat notes.

A. Plat notes shall not be placed on a final plat unless required by borough code or by the planning commission in order to promote or protect the public health, safety, and welfare consistent with borough and state law.

B. Revision of, or not carrying forward, an existing plat note from the parent plat will adhere to KPB 20.50.010. Separate advertising of the plat note removal is not required, Notification of the requested change will be sent by regular mail to all owners within the subdivision (parent plat and subsequent replats) as shown on the borough tax rolls. Upon approval by the planning commission, the revision or removal of the record plat note shall be finalized by recording a planning commission resolution or subdivision plat.

Staff recommendation: Place the following notes on the plat.

- Add a note for any exception granted.

20.60.190. Certificates, statements, and signatures required.

Staff recommendation: Correct typo at the beginning of Certificate of Ownership. Comply with 20.60.190.

EXCEPTIONS REQUESTED:

KPB 20.30.120 – Street-Width Requirements

Surveyor's Discussion: I would like to request an exception KPB 20.30.120 for the right-of-way width. The city staff report and planning commission minutes show, the city does not object to the current width of the right-of-way.

Staff Discussion: KPB Code 20.30.120 states that the minimum right-of-way width shall be 60 feet. Lakeshore Drive is only a 50 foot wide dedication.

Findings:

1. KPB Code 20.30.120 required 60 foot wide rights-of-way.
2. Lakeshore Drive is only 50 feet wide.
3. Lakeshore Drive was dedicated as 50 feet wide in 1953.
4. Lakeshore Drive was one of several rights-of-way dedicated by Bay View Subdivision, Plat HM 53-839, that were only dedicated as 50 feet wide.
5. Numerous replats have occurred along Lakeshore Drive without requiring additional dedication for the right-of-way.
6. Lakeshore Drive is constructed and maintained by the City of Homer.
7. The majority of the lots along Lakeshore Drive have been developed and limit getting additional right-of-way widths.
8. At the October 19, 2022 City of Homer Planning Commission meeting they did not object the exception for right-of-way width being granted.
9. Allowing the 50 foot dedication to remain can be supported by the Kenai Peninsula Borough Comprehensive Plat 2019 as an effort to maintain the historic nature of the community.

Staff reviewed the exception request and recommends granting approval.

Staff recommends the Committee select the findings they determine are applicable, make additional findings if needed, tie the findings to the following standards, and vote on the exception in a separate motion.

Unless prohibited under this title, the commission (committee) may authorize exceptions to any of the requirements set forth in this title. Application for an exception shall present the commission (committee) with substantial evidence, justifying the requested waiver or exception stating fully the grounds for the application and the facts relied upon. All exceptions must be requested and granted at the time of preliminary plat approval. Exceptions may not be requested with a final plat submittal.

The commission (committee) shall make findings of fact meeting the following standards before granting any exception:

1. That special circumstances or conditions affecting the property have been shown by application;
Findings 3-9 appear to support this standard.
2. That the exception is necessary for the preservation and enjoyment of a substantial property right and is the most practical manner of complying with the intent of this title;
Findings 3-9 appear to support this standard.
3. That the granting of the exception will not be detrimental to the public welfare or injurious to other property in the area in which said property is situated.
Findings 3-9 appear to support this standard.

Staff recommendation: place notes on the final plat indicating any exceptions granted by the Plat Committee with the meeting date.

RECOMMENDATION:

SUBJECT TO EXCEPTION(S) GRANTED, STAFF RECOMMENDS:

- **GRANT APPROVAL OF THE PRELIMINARY PLAT SUBJECT TO STAFF RECOMMENDATIONS, AND**

- COMPLIANCE WITH KPB 20.25.070 (FORM AND CONTENTS), KPB 20.25.080 (PETITION REQUIRED), KPB 20.30 (DESIGN REQUIREMENTS); AND KPB 20.40 (WASTEWATER DISPOSAL), AND
- COMPLIANCE WITH KPB 20.60 TO ENSURE ADMINISTRATIVE APPROVAL OF THE FINAL PLAT.

NOTE: 20.25.120. - REVIEW AND APPEAL.

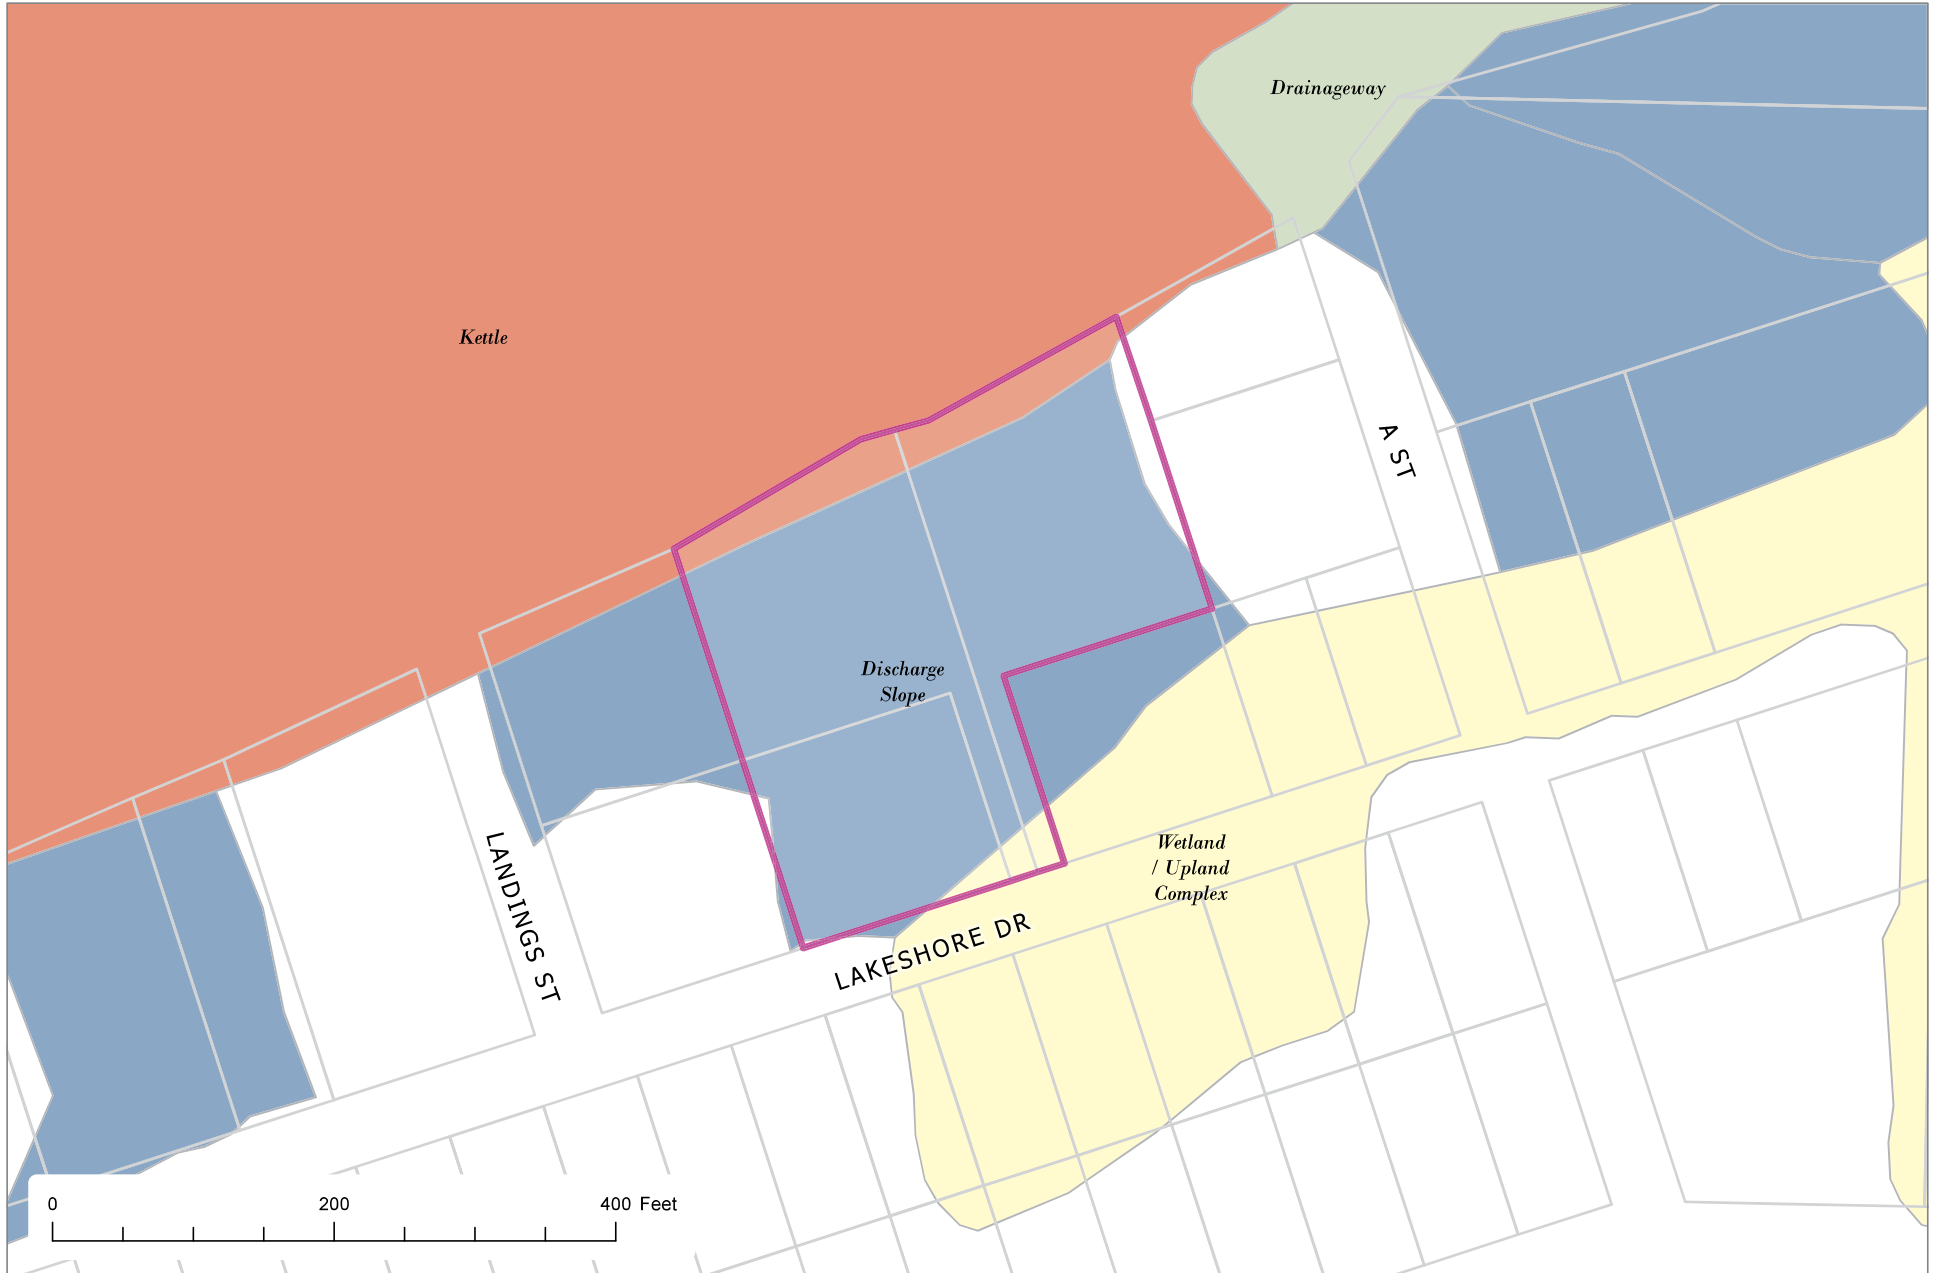

A PARTY OF RECORD MAY REQUEST THAT A DECISION OF THE PLAT COMMITTEE BE REVIEWED BY THE PLANNING COMMISSION BY FILING A WRITTEN REQUEST WITHIN 15 DAYS OF NOTIFICATION OF THE DECISION IN ACCORDANCE WITH KPB 2.40.080.

A DECISION OF THE PLANNING COMMISSION MAY BE APPEALED TO THE HEARING OFFICER BY A PARTY OF RECORD WITHIN 15 DAYS OF THE DATE OF NOTICE OF DECISION IN ACCORDANCE WITH KPB 21.20.250.

RE: Homer One Swan Cove Addn. 2022 Replat

Julie,

Please find enclosed (1) full size copy and (2) 11X17 copies of the preliminary plat of Homer One Swan Cove Addn. 2022 Replat, and a \$300.00 check for the submittal fee.

This plat combines Lots A1, A2 and A3 into a single lot. This plat was prepared using record data from the plat of Homer One Swan Cove Addn. (HM 2012-23 in accordance with KPB 20.60.200(A). No field survey is being done.

The note on the parent plat referencing the FEMA FIRM panel data has been revised to reflect the current FIRM panel designation. The plat references the water and sewer service easement within the original panhandle portion of original Lots A2 and A3 as described in Note 7 of the parent plat. Those easements will remain.

Please let me know if you have any questions. You can reach me at any time at (907) 399-4345. Thanks!

Sincerely,

Stephen C. Smith P.L.S.
