Re: Ordinance 2022-046 - Modification of the "Nikiski Area" APC Boundaries

Dear Assembly Members:

Please approve Ordinance 2022-046 to reduce the size of the Nikiski Area APC. The originally approved boundaries greatly exceed the scope of the Nikiski "community" and must be corrected.

The 3.5 million-acre Nikiski Area APC is grossly disproportionate to all the existing APCs. It bears no resemblance to the actual community of Nikiski. The intent of APCs is to develop "locally-driven" community plans. Nikiski and the West Side of Cook Inlet are not the same community. Allowing the Nikiski Area APC to remain when it is 35 times larger than the average APC serves no valid public purpose. In short, the decision is arbitrary and needs to be modified by approving Ordinance 2022-046.

As a resident of the Tyonek area, I am not part of the Nikiski community. There are no common land, cultural, historical, or other ties that justify allowing the current boundaries to remain. Please give real meaning to the Nikiski Area APC and update its boundaries to the actual Nikiski community. Thank you for your consideration of this important issue for West Side residents.

Sincerely,

A handwritten signature in cursive script that reads "Katherine Chikalskis". The signature is written in dark ink and is positioned below the "Sincerely," text.

Re: Ordinance 2022-046 - Modification of the "Nikiski Area" APC Boundaries

Dear Assembly Members:

Please approve Ordinance 2022-046 to reduce the size of the Nikiski Area APC. The originally approved boundaries greatly exceed the scope of the Nikiski "community" and must be corrected.

The 3.5 million-acre Nikiski Area APC is grossly disproportionate to all of the existing APCs. It bears no resemblance to the actual community of Nikiski. The intent of APCs is to develop "locally-driven" community plans. Nikiski and the West Side of Cook Inlet are not the same community. Allowing the Nikiski Area APC to remain when it is 35 times larger than the average APC serves no valid public purpose. In short, the decision is arbitrary and needs to be modified by approving Ordinance 2022-046.

As a resident of the Tyonek area, I am not part of the Nikiski community. There are no common land, cultural, historical, or other ties that justify allowing the current boundaries to remain. Please give real meaning to the Nikiski Area APC and update its boundaries to the actual Nikiski community. Thank you for your consideration of this important issue for West Side residents.

Sincerely,

A handwritten signature in dark ink, appearing to be "SS" followed by a stylized flourish, is written above a horizontal line.

The intent of APCs is to develop "locally-driven" community plans. Nikiski and the West Side of Cook Inlet are not the same community. Allowing the Nikiski Area APC to remain when it is 35 times larger than the average APC serves no valid public purpose. In short, the decision is arbitrary and needs to be modified by approving Ordinance 2022-046.

As a property owner in the Tyonek area, I am not part of the Nikiski community. There are no common land, cultural, historical, or other ties that justify allowing the current boundaries to remain. Please give real meaning to the Nikiski Area APC and update its boundaries to the actual Nikiski community. Thank you for your consideration of this important issue for West Side property owners.

Sincerely,

Michaelene Stephan
