I support the map that encompasses the lands on the West side of Cook Inlet. The borough has interest on the west side and that needs to be considered. By removing those lands because someone else said so is not a good precedent to set for the future. All Nikiski residents on the APC, the planning commission and the borough assembly support the west side map. Only members of the assembly and the planning commission who do not have any ties to Nikiski oppose it.

Jason Ross
