Vicinity: Anchor Point

Thursday, March 14, 2024

**Radius shown depicts the radius from the parcel boundaries. KPB 7.30 states that the distance must be measured by the shortest pedestrian route. If there were relevant facilities within the 500-foot or 1,000-foot radius, the shortest pedestrian path would be shown and measured. Questions or comments can be relayed to traidmae@kpb.us.*

The data displayed herein is neither a legally recorded map nor survey and should only be used for general reference purposes. It is not intended to be used for measurement. Kenai Peninsula Borough assumes no liability as to the accuracy of any data displayed herein. Original source documents should be consulted for accuracy verification.
